"That the members of this Board consider the unethical advertisement of Drs. Moyer & Moyer of Niagara Falls, which appears in the telephone directory for the City of St. Catharines and surrounding district as manifestly unfair to the dentists practising in these communities.

"As dentists in Ontario are not permitted to advertise, we would respectfully call the attention of the Bell Telephone Co. of Canada, to the unfairness to the dentists of these communities by publishing in their directory such unethical advertisements.

"Also that Dr. Thompson be requested to meet the Directors of the Bell Telephone Co. if he consider it necessary."

—Carried unanimously.

DR. W. J. FAULKNER

A communication was read from Dr. Faulkner regarding the name "Faukner" appearing in the report of the Discipline Committee as presented at the meeting in May, 1930. As no initials were mentioned, it might be inferred that the reference was to Dr. W. J. Faulkner.

DISCIPLINE COMMITTEE

The Discipline Committee reported that they had investigated three cases of unprofessional advertising.

Dr. H. A. Farrell
Toronto.

Dr. Farrell appeared before the Committee in regard to his advertisement which appeared in "The Beaches Smiles" on August 21st, 1930.

On the evidence taken the charge was proved.

Dr. Farrell cancelled the advertisement on his own initiative, previous to any action of the Committee, and he has given a letter of undertaking that the offence will not be repeated.

Dr. G. A. C. Gunton
Toronto.

Dr. Gunton appeared before the Committee in connection with a circular sent to his patients.

The Committee investigated the charge and find that on the evidence submitted Dr. Gunton is guilty of "improper conduct in a professional respect."

Dr. J. A. Lockheed
Hamilton.

Dr. Lockheed appeared before the Committee in connection with an advertisement which appeared in the Hamilton papers on Saturday, September 27th, 1930.

The Committee investigated the charge and find that on the evidence submitted Dr. Lockheed is guilty of "improper conduct in a professional respect."

Complaint that Dr. Lockheed had very grossly overcharged a foreign girl who could understand or speak very little English, was also investigated.

From the evidence submitted, the Committee find that this charge is sustained.

On motion of Thompson and Shannon, the report was considered item by item.

Moved by Holmes and McGuire, "That as Dr. Farrell had cancelled the advertisement on his own initiative and had given an undertaking that he would not again offend in this matter, it is recommended that no further action be taken."—Carried.

Moved by Thompson and Shannon, "That in the case of A. G. C. Gunton re circular letter, his license be suspended for a period of one calendar month commencing on the 15th day of November, 1930."

—Carried.

Moved by McGuire and Kennedy, "That in the case of J. A. Lockheed, re advertising, his license be suspended for a period of one calendar month commencing on the 15th day of November, 1930."—Carried.

ELECTION

Moved by Shannon and Kennedy, "That in the opinion of the Board those students who graduated in 1930 and are actually in practice at the time, are eligible to vote at the election for members of the Board in 1930."—Carried.

SECRETARY'S REPORT

1930-1931

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:

Your Secretary presents his report for 1930-1931 as follows:—

Minutes

The minutes of the last meeting of the Board were prepared and 1900 copies printed as soon as possible after the adjournment of the Board. A copy was mailed to each Licentiate in practice in Ontario and to several others on request.

Application for License

Applications on the prescribed forms have been received from 62 members of the final class in the Faculty of Dentistry of the University of Toronto.

A number of inquiries have been received as to the requirements for graduates of other colleges to receive the L.D.S. of Ontario. This question seems to be rather complicated, from the fact that a man may graduate in a recognized University in one State which has reciprocal relations with Ontario, and then take out a license in another State with which we have no reciprocity—your Secretary desires a ruling on this point, as it has arisen several times during the past year.

Dominion Dental Council

Several questions have been asked as to the fee for registering Dominion Dental Council certificates. Should the registration fee for the sessions spent in the Faculty of Dentistry in the University of Toronto be applied on the former fee?

Changes in the Register

Since the last meeting of the Board there have been 55 added to the register, making a total to April 30th, 1931, of 3387.

During the year 18 Licentiates practising in Ontario, two out of practice, two practicing in Manitoba, 1 in Saskatchewan and 1 in Alberta have died; two have retired and 21 re-entered practice or moved back to Ontario from other places; 2 have gone to the United States. Fewer have changed from one town to another than formerly, being about 46.

Nurses' Graduation

The Committee in charge has arranged that the graduation function for the Nurses' class will be held in the Arts and Letters Club Room on Friday evening, June 5th, 1931. Rev. F. J. Moore, Secretary of the Student's Christian Association of the University of Toronto will be the speaker. The exercises will be followed by refreshments and an informal dance.

Mail Matter

During the year, 2980 articles have been received by mail and 9695 sent out.

Workmen's Compensation Act

The relation of a dentist to the Workmen's Compensation Act has been raised several times. Your Secretary had a long conference with Mr. Justice Middleton, who has been appointed a Commissioner to enquire into the workings of the Act. He suggested we should formulate a request and bring it before him.

I wrote asking for an appointment for representatives of the profession to consult with him and received a reply stating he would recommend an amendment to the Act placing the Dentist in exactly the same relation as the Physician and also stating he would be pleased to receive a deputation during the week of June 8th.

Board Entrance

As the Faculty has requested the communicating door between the Board offices and the Faculty be locked, it will be necessary to use the Huron Street entrance.

A brass sign indicating "The Royal College of Dental Surgeons" should be placed at the entrance.

Visitation of Offices

In accordance with instructions to visit such offices as possible, I have during the past year been in 231 offices in 54 centres as follows, occupying 12 days and 2 half days and 1750 miles of travel:—

Aylmer	Georgetown	Otterville	Stratford
Beamsville	Guelph	Paris	Sutton
Belleville	Grimsby	Penetang	Thamesville
Blenheim	Hagersville	Peterboro	Tilbury
Bowmanville	Hespler	Pickering	Tillsonburg
Brampton	Highgate	Picton	Trenton
Burlington	Ingersoll	Port Hope	Waterdown
Caledonia	Jarvis	Preston	Waterford
Cayuga	Kitchener	Ridgetown	Welland
Chatham	Lindsay	Rodney	West Lorne
Delhi	Newcastle	St. Catharines	Wheatley
Dundas	Niagara Falls	St. Thomas	Whitby
Dutton	Norwich	Simcoe	Woodstock
Galt	Oshawa		

In a very few instances did I find any conditions where a patient might be in any danger from unsanitary surroundings and in few cases did I find neat tidy premises.

While "unsanitary" and "untidy" are not synonymous terms still they are closely related. In the former case the patients **may** suffer while in the latter the operator's practice **must** suffer.

In many cases the attention of the operator was called to the conditions at the time and the criticisms and suggestions were cheerfully accepted. Others were written to.

The **first** impressions of patients are very important and also very lasting. Consciously or unconsciously they are apt to associate the quality of the operations with the general appearance of the surroundings.

Hence I would suggest to each practitioner that he should take the trouble to carefully note:—

- (a) The entrance. I noticed some which were dirty and badly lighted. What about first impressions here?
- (b) The reception room. Is it tidy and cheery and well lighted? Is the literature recent? I found much of ancient vintage. Do you cater to the younger members of your patients. I was in one reception room where there were juvenile pictures on the walls and juvenile magazines, an aquarium with gold fish. Surely a young patient would not get tired waiting with such interesting surroundings.
- (c) The operating room:— Should there be instruments, burs, bottles, models, old dentures, etc., in view? Should not these all be out of sight when the patient enters? Should not the tray and the cabinet be neat and tidy? Should not the sterilizer be in view and working?
- (d) The operator's private desk:— Should it be in sight? If it is should there be old letters, papers, magazines, etc., in untidy array? I saw several such.

On the whole conditions were found to be not so serious as many persons deemed them to be.

On two occasions, at Galt and St. Thomas, I had the privilege of meeting a large group of practitioners.

I wish to express my pleasure at meeting so many graduates in their offices and my grateful appreciation of the hearty welcome accorded me.

Drs. Graham and Fenech

Doctors Graham and Fenech who were required to write supplemental examinations in Orthodontia, wrote with the fifth year class in May. The results will be placed before you for action.

Appreciation

I wish to record my sincere appreciation of the very ready and cheerful assistance and advice rendered to your Secretary by Dr. Mason, whom I have frequently consulted on account of his being so readily reached and also to Dr. McLean and Dr. Thompson.

Licentiates Who Have Died During the Year

ACTION ON MATTERS ARISING FROM SECRETARY'S REPORT

Dominion Dental Council

The registration fee paid to University of Toronto will apply on registration in Ontario of a Dominion Dental Council certificate.

Workmen's Compensation Act

The Secretary was instructed to convey to Hon. Mr. Justice Middleton the appreciation of the members of the Board for his courtesy in making an appointment to meet representatives from Dentistry, but as his suggested amendment to the Act meets the wishes of the Board, it will not be necessary to occupy his time in any further interviews.

Board Entrance

The question of the entrance to the Board's premises was referred to Mason and Willmott with power to act.

Dr. Fenech and Graham

As these two candidates had passed the supplemental examinations, the Secretary was instructed to issue the license to Dr. Fenech now and to Dr. Graham on the completion of his practical work.

TREASURER'S REPORT

1930-1931

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Your Treasurer presents his report for 1930-1931 as follows:

Licentiate Fees

Notice of the Licentiate fee being due on the first of January, 1931, was mailed to each Licentiate practising in Ontario, as far as his address could be obtained, about the middle of December. During the latter part of January 775 second notices were sent, followed in February by about 130 personal letters, and after two weeks a number of further personal letters, followed by 226 drafts, of which 80 were returned—some of these paid directly leaving 32 in arrears when books were closed.

Extra-Mural Service

The report of Extra-Mural activities shows that 21 speakers visited 54 centres.

The expenditures amounted to \$1050.06, and receipts to \$616.00—deficit of \$434.06.

Of the grant of \$1,500, \$1,000 was handed to the Bursar of the University, which sum was augmented by a grant from the University from which the honoraria to the speakers were paid. The remaining \$500 more than covered the deficit in expenses.

Ex-Service Men's Loan

During the year 6 have paid their loans in full—\$825.00; and 36 have paid on account \$1,114.00, leaving still due \$26,805.36. Interest for 1930-1931, \$2,162.36, has been transferred to the R.C.D.S. account. Government bonds of \$33,000 are on hand. The following have paid in full during the year 1930-1931:—

DISCIPLINE COMMITTEE REPORT

During the year the Committee held six meetings:—

- (1) One meeting was held in conjunction with the Public Dental Health Committee of the Ontario Dental Association when plans for industrial services were discussed.
- (2) Dr. W. J. M. Lloyd met the Committee to discuss four complaints which had reached the Committee regarding his unprofessional methods of salesmanship. He assured the Committee he would be more considerate in the future.
- (3) It was decided to proceed with the prosecution of Drs. J. M. Sharpe and J. H. Carrique and Messrs. G. Macher, W. E. Mitchell and Charles Coulan for practising Dentistry without a license. The cases came to court on October 15th, 1930; Macher and Coulan were fined \$100.00 each, Mitchell and Sharpe \$50.00 each and for some unaccountable reason Carrique was discharged.
- (4) In connection with Border advertising, the Chairman was instructed to communicate with Dr. M. J. Terry, Secretary of the New York State Board; as a result the New York border has been satisfactorily arranged.

The Michigan border has presented much more serious conditions. It appears that the Michigan authorities are unable to control the situation and the local Canadian authorities seem to be helpless.

Arrangements are under way to enlist the sympathy and support of the Better Business Bureaus in Toronto and Detroit.
- (5) The advertisement of Moyer & Moyer of Niagara Falls, N.Y., inserted in the Bell Telephone Company's directory for the Niagara peninsula was brought before the Committee. The Chairman was authorized to communicate with the Bell Telephone Company and the attention of Mr. Hamilton, Manager of the Company in Hamilton was called to this advertisement as being unfair to Ontario Dentists who would not be allowed to so advertise. He communicated with the head office in Montreal and was assured that no such advertisement would again appear in their directory.
- (6) Several Licentiates met the Committee to discuss various subjects, but as no action was necessary no record is here made.
- (7) Three cases of unprofessional conduct on the part of Ontario Licentiates were investigated on instructions from the Executive Committee and reported to the special meeting of the Board on October 21st, 1930. The report and action of the Board are recorded in the minutes of that meeting (see page 5).
- (8) The question of illuminated signs was under discussion a number of times and referred to the Board for consideration.
- (9) Certain dentists in an Eastern town complained that one of their confreres was cutting fees. When the Secretary was there he interviewed the practitioner in question and called his attention to the complaint. He stated he was merely following the schedule of fees which has been suggested by the Ontario Dental Association. At a subsequent meeting of the Committee at which Dr. Conboy was present, he explained that no official schedule had been adopted, but that some committee had endeavored to formulate a schedule, but after considerable work decided that no such schedule could be arrived at for distribution. The Secretary was instructed to call the attention of the practitioner to this.
- (10) A complaint that a dentist in another town was cutting fees was received. The Secretary was instructed to correspond and suggest the advisability of raising his fees.

- (11) A practitioner in Toronto was asked to meet the Committee regarding the name over the entrance to his office of a practitioner who had died. The Committee was assured that the name would be removed.
- (12) Complaint was received that Dr. B. G. Davidson's sign was still up although he had been out of practice for several years and that Dr. Seigel who took over Dr. B. G. Davidson's practice was capitalizing on the name. The Secretary was instructed to write Dr. Seigel that Dr. B. G. Davidson's sign must be removed within ten days or proceedings would be taken. Dr. Seigel wishes to meet the Board. An appointment has been made. (On account of a death in the family Dr. Seigel was unable to keep this appointment and the matter was referred to the Discipline Committee with authority to investigate).
- (13) Several complaints from patients of alleged overcharge or unsatisfactory work were considered and the alleged offenders communicated with.
- (14) The Hamilton Board of Health reported that a complaint had been made regarding an office, and that an officer of the Department had made a visit and found the premises very dirty, and had given the occupant notice to clean up. Secretary wrote him to same effect.

W. G. THOMPSON,
Chairman

W. E. WILLMOTT,
Secretary

On motion the report of the Discipline Committee was adopted and ordered to be printed in the proceedings of this meeting.

On motion the Discipline Committee was instructed to investigate the case of Dr. D. I. Siegel who still has Dr. B. G. Davidson's sign in view.

On motion the Discipline Committee was instructed to take such action as they considered necessary to have all dental signs brought into harmony with the notice of April 1929, a copy of which was mailed to each Licentiate in the Province.

A communication was read calling attention to the fact that a dentist had contracted a very contagious disease and suggesting he should not be allowed to practice.

On motion the Discipline Committee was instructed to investigate this case.

A communication was read complaining of an unlicensed man by the name of Kalbfleisch practising Dentistry in Tavistock. On motion the Discipline Committee was instructed to prosecute him.

REPORT OF DELEGATES TO THE MEETING OF THE NATIONAL ASSOCIATION OF DENTAL EXAMINERS

To the Board of Directors of the
Royal College of Dental Surgeons.
Gentlemen:

Your delegates attended the forty-eighth annual meeting of the National Association of Dental Examiners in Denver in July, 1930, and were received cordially by the members of the Association.

The meeting was well attended, there being about 150 registered.

During the meeting the question arose as to the recognition of Ontario graduates in various States of the Union and particularly in relation to Michigan and Pennsylvania. We are glad to report that as a result of our conference at that time the State of Pennsylvania has ruled that candidates from the Province of Ontario will be admitted to examination upon the same basis as graduates of other Class A schools.

Considerable discussion arose through the statement of one of the delegates that American graduates were discriminated against in the Province of Ontario because of the close co-operation between the Faculty of Dentistry of the University of Toronto and the Board of the Royal College of Dental Surgeons. However, after a lengthy discussion and a detailed explanation by your delegates, the Association realized its misapprehension and expressed its desire to co-operate in every way with this Board.

Some discussion occurred following the report of the Committee appointed to confer with the American Dental Laboratories Association and it was agreed that the teaching in dental prosthesis should be confined to the dental colleges.

Another matter reported upon by the Committee was the result of a conference regarding the Dental Technician's Act passed by New York State and subsequently rescinded. The representatives of the Laboratories Association stated that they will have nothing to do with further legislation that is not sanctioned by official Dentistry. A committee was appointed to make a further report at the next meeting of the Examiners' Association.

Respectfully submitted,

W. G. THOMPSON
WALLACE SECCOMBE

(As Dr. Mason was unable to attend the above meeting the President appointed Dr. Seccombe in his place.)

On motion the report was accepted and ordered to be included in the proceedings of this meeting and Drs. Mason and Thompson were appointed representatives from this Board to the next meeting of the Association.

DENTISTS' LEGAL PROTECTIVE ASSOCIATION

The annual report of the Association was presented by the Secretary. (See copy of the report enclosed).

ALLEGED EXORBITANT FEES

Three complaints of alleged exorbitant fees were presented to the Board. In two cases the complaint was discussed with the practitioner and no further action was considered necessary. The third was referred to the representative of the District.

LIBRARIAN'S REPORT FOR 1929-1930

(Omitted From Last Year's Proceedings.)

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.
Gentlemen:

Your Librarian has the honour to report that the students are making good use of their opportunities to read the best and latest works on Dental and co-related subjects and that many books have been taken out during the year. Dental graduates as well as graduates and students of other faculties have, during the past year, used the Library to a great extent, books numbering 349 were loaned to dentists, and to graduates of other faculties, 30.

The Library has received a number of very valuable specimens, Dr. Charles E. Pearson of Toronto having presented a plaster bust of our beloved friend, Dr. C. N. Johnson of Chicago, the Ontario Dental Association had it cast in bronze and it will be housed in the Harry R. Abbott Memorial Library.

The Library has been enlarged during the past year to accommodate the increasing number of books and periodicals, new book shelves being added.

An exhibit from the Library and Museum of the Dental Building was one of the interesting items at the Ontario Dental Association Convention this year. A number of old photographs of graduating classes in the eighties and nineties proved very interesting to the older practitioners. The Museum case with its old ivory-handled instruments and turnkeys was the cause of many interesting reminiscences among the graduates of early days.

During the past winter we found it necessary to procure extra assistance in the Library and bring the indexing of old and new books and periodicals up to date. This work has been backward for years and we procured the help of Miss Alexander, a very capable library assistant with considerable experience.

I am glad to say that now the Library and stack room are in excellent condition. We will keep Miss Alexander on the staff until everything is completed, which will be for about three or four weeks longer.

For the coming year I would recommend that the usual grant be given to the Library.

All of which is respectfully submitted,

April 30th, 1930.

C. A. KENNEDY,

Librarian and Curator.

DOMINION DENTAL COUNCIL REPORT

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

The D.D.C. at its last biennial meeting held at Montreal, honoured your representative by electing him President.

Routine business of the Council was carried through, and the first financial statement ever issued by the Council has been published. To enable the Council to finance, some adjustments of remuneration to the examiners and board were made.

Nova Scotia has adopted the D.D.C. examinations for registration of all candidates entering that province. If this were adopted by all the provinces a uniform standard for Canada would result. This would be an advanced step in dental legislation.

The examination fee was increased to \$60.00.

A committee of the Council is now proceeding to procure an act from the Federal Government so as to legalize the acts of the Council.

All of which is respectfully submitted.

A. D. A. MASON.

Representative

October 9th, 1931

Minutes of a special meeting of the Board of Directors of the Royal College of Dental Surgeons of Ontario held in the Board room on Friday, October 9th, 1931.

Present: Drs. S. M. Kennedy, in the chair; W. G. Thompson, H. Irvine, W. M. McGuire, J. A. Shannon, E. C. Veitch, W. H. Woodrow, G. H. Holmes, A. D. A. Mason.

The Board met from 10.00 a.m. to 12.15 p.m. and from 2.00 p.m. to 5.30 p.m.

The Secretary read the notice for the meeting:—

September 28th, 1931

Dear Dr:

A special meeting of the Board of Directors of the Royal College of Dental Surgeons will be held in the Board on Friday, October 9th, 1931 at 10.00 o'clock a.m. for general business.

Yours very truly,

(sgd) W. E. WILLMOTT

Sec'y R.C.D.S.

Letters were read from the Ministers of Health and of Education in the Ontario Government, who are ex-officio members of the Board, expressing their regrets at not being able to be present.

BORDER CONDITIONS

Communications were read from the Windsor Dental Society requesting that if possible some action be taken to put an end to the advertising by Detroit Dentists in the Border papers.

A letter was also received from the Dental Club of the South Wayne County, Michigan, inquiring as to the Ontario law in regard to advertising and stating that the Club was endeavoring to overcome the unethical advertising in Michigan. The Secretary read his reply to the communication.

Early in the summer Dr. Mason and the Secretary had interviewed the manager of the Better Business Bureau to solicit their interest in the situation. The Secretary reported that he had recently had another talk with the manager and found that nothing had been done as the Bureau had been very busy looking after the interests of their supporting members. Asked as to how the Bureau might be of assistance, it was suggested that there might be found something fraudulent in the advertisement and the advertiser would be subpoenaed to court in Windsor. The Bureau in Detroit would publish this in their circular letter which is sent out periodically, thus giving the offender very undesirable publicity &c.

It was moved, seconded and carried

- (1) "That the Secretary be instructed to ascertain if membership could be obtained in the Bureau and at what fee.
- (2) "That Drs. Veitch and Mason and the Secretary be a Committee to consult with and assist if possible the South Wayne County Dental Club, in their efforts.
- (3) That the Secretary report to the Windsor Society what was being done."

INSTRUCTION TO TECHNICIANS

Dean Secombe brought before the Board the question of the Faculty giving instruction to Dental Technicians. He stated he had

an application from a technician in Kingston for a course in Ceramics. Following a lengthy discussion it was moved, seconded and unanimously adopted (1) "That the Faculty be requested to give this technician instruction in Ceramics if it met with the approval of the Kingston Dental Society and that it be left with Dr. Woodrow to obtain the desire of the Kingston dentists." (2) "That the President appoint a committee to consider the whole question of courses of instruction for Dental Technicians and report at the next meeting of the Board. The President referred the question to the Discipline Committee for a report.

ACCOUNT OF DR. GERALD SMITH

A patient of Dr. Gerald Smith, complained of the amount of her account. After a full discussion it was moved and seconded "That in the opinion of this Board Dr. Smith should accept \$150.00 and consider the account closed." Moved and seconded in amendment "That the amount be \$100.00." The amendment was carried and on motion made unanimous.

HEALTH ACCEPTANCE CORPORATION

The attention of the Board was drawn to an advertisement appearing frequently in the papers:—

"Dentistry financed, Bank interest and a year to pay.
Health Acceptance Corporation. 7 Adelaide W.
Phone &c."

The Secretary was instructed to ascertain if this company was registered at the Parliament Buildings and to make inquiries as to who was behind it and to consult the Solicitor.

DR. S. CROLL

Mayor Croll of Windsor, brother of Dr. S. Croll met the Board and explained the conditions regarding his brother's large sign.

The members expressed their appreciation of Mr. Croll meeting the Board and for his expressions of co-operation.

DR. SAUL SIMON

Dr. S. Simon explained to the Board his intended "Orthodontic Clinic," the intention being to endeavor to meet the needs of those who could not afford to pay the regular specialist's fee. The members suggested that he should use the words "Practice confined to Orthodontia" rather than "Orthodontic Clinic."

UNPAID FEES

On Motion the Discipline Committee was instructed to take action against those whose annual fee has not been paid, and prosecute them for practicing without a license.

DENTAL CAR

It was reported to the Board that the Ontario Government had fitted out a car to carry Dentistry to the outlying districts in North Ontario and that the Rosedale Chapter of the I.O.D.E. had equipped it with the necessary office fittings &c. and that the car was to be official opened on September 30th at the North Toronto C. P. R. station. It was unanimously resolved to (1) Grant \$30.00 for an orchestra for the occasion. (2) Make a grant of \$100.00 towards the equipment.

DR. R. G. McLAUGHLIN

The Dentists' Legal Protective Association desired to honor the memory of its founder, Dr. R. G. McLaughlin by having an oil painting hung in the Dental building. Resolved "That the Board sanction the proposal of the Dentists' Legal Protective Association to have a portrait of the late Dr. R. G. McLaughlin painted and hung in the Dental building."

DENTAL SERVICES FOR THOSE WHO CANNOT AFFORD REGULAR FEES

Moved, seconded and unanimously carried "That owing to unusual distress caused by economic conditions prevailing at the present time which circumstances prevent many people desiring dental treatment from obtaining the same, this Board goes on record as being sympathetic and endorsing a scheme to meet these conditions by bringing together the Dentist and the patient through philanthropic agencies."

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Your Committee appointed to consider the problem of "Economics for Practitioners" beg to make the following report: We believe that the need for some instruction in Economics does exist and that a course in this subject would meet with the approval of the members of our profession.

That this course be put on in at least two centers.

That the course be put on without charge to the class members.

E. C. VEITCH, Convenor

On motion the report was adopted and the President asked to appoint the committee.

The President appointed Veitch, Holmes and Mason with power to add to their number if they desire.

REPORT OF THE DISCIPLINE COMMITTEE

During the year the Committee held six meetings:—

- 1—Dr. D. I. Siegel of Hamilton was instructed to remove the name of Dr. B. G. Davidson from his premises.
- 2—On instructions from the Executive Committee the case of Dr. Alex. A. Stewart who was alleged to have distributed cards with

a softball league schedule on one side and his advertisement on the other, was investigated.

The Vice-president of the League met the Committee and stated that he was responsible for the card and that Dr. Stewart was not aware of his action. Dr. Stewart corroborated this and stated that as soon as he saw the card he at once stopped any further distribution.

3—Michigan Border Advertising.

Dr. Mason and the Secretary were again asked to interview the Better Business Association and endeavour to interest them in this matter. The Association considered they could do nothing in this regard.

A letter from Dr. Shannon of Sault Ste Marie asked the Committee for suggestions whereby it might be possible for the Federal Government to act, as their local members were much interested. The Committee was unable to make any suggestions and left it for the Members.

4—The attention of the Committee was called to an advertisement of P. A. Lefebvre & Co., offering to print a circular on the Dentist's letterhead calling attention to the necessity of a mouth examination and an offer to make such an examination without charge.

The Secretary was instructed to write the firm, explaining that such a letter was prohibited by the Board.

5—Dr. J. W. Armstrong, Toronto.

On instructions from the Executive Committee, the case of Dr. W. J. Armstrong who inserted an advertisement in a Toronto paper was investigated.

Dr. Armstrong admitted the advertisement; said he regretted it as soon as he saw it in the paper and would not offend again.

6—Dr. W. M. Arthurs, Hamilton

On instructions from the Executive Committee the case of Dr. Arthur's relations with a mechanical man named Minot was investigated.

Two witnesses gave evidence that Minot had done work for them. Dr. Arthurs explained his relation with Minot and promised the Committee that he would so far as he possibly could, have Minot respect the Act in the future.

7—Dr. R. W. Frank, Toronto

On instructions from the Executive Committee the case of Dr. Frank was investigated.

Dr. Frank inserted an advertisement in the Toronto Star for an assistant; sent a circular letter to the applicants expressing regret that the position had been filled and explaining that he had just taken up practice and had plenty of time on his hands; thought it would be a friendly act and at the same time help him if he offered to work for the families of the applicants at exceptionally low fees; this offer applies only to immediate family but to friends he would establish fees at a scale in keeping with reduced incomes generally; to be accurate they would be about half what he charged in his last practice; wishes to be kept busy at reasonable fees rather than idle at high fees.

Dr. Frank met the committee and the case was thoroughly considered. The Committee unanimously decided that Dr. Frank was guilty of improper conduct in a professional respect.

8—Dr. G. A. C. Gunton, Toronto

On instruction from the Executive Committee Dr. Gunton's connection with the Health Finance Corporation was investigated, occupying considerable time at two meetings of the Committee.

Dr. Gunton's solicitor addressed the Board stating that he had advised the Corporation to return their charter and go out of business, to which Dr. Gunton and his father, who was also present, agreed.

9—Kingston Dental Society

A resolution from the Kingston Dental Society asking that the Faculty should give instructions in Ceramics to dental mechanics of Kingston was considered at some length.

It was finally decided that as the Faculty had been requested to give instruction to one of the Kingston men it would be unfair not to give the others the same privilege.

It was agreed that in this case the Faculty should give the instruction, but that no further instruction should be given mechanical men until the Committee appointed by the Board to do so should report on the whole question of instruction to technicians.

10—Group Insurance

A communication was received from the Renfrew Dental Society suggesting some form of group insurance for accident and sickness. This was referred to the next meeting of the Board.

11—Dentistry in Construction Camps

A communication from Dr. Holmes of Owen Sound regarding Dental service in construction camps had been forwarded to Dr. Conboy who met the Committee and explained that he was taking the matter up with the Minister and would write Dr. Holmes.

12—Dr. S. N. A. Campbell, Clifford.

A copy of the Clifford paper containing an unprofessional notice regarding Dr. Campbell, also containing his card which was unprofessional, was considered.

The Secretary reported that he had written Dr. Campbell who had replied that the local item had been inserted by the Editor without any suggestion or knowledge of his and that the card had not been inserted as he had given it to the paper.

The Editor evidently had undertaken to do a little boosting for the first local Dentist in the community.

It was decided that under the circumstances no action should be taken.

13—Dr. G. R. Patterson, Stouffville

Dr. Patterson's advertisement in the Stouffville paper "Specialist in plate work and extraction" was considered and the Secretary was instructed to write him calling his attention to the unprofessional aspect of the card.

14—Dr. P. R. Wilson, Kirkland Lake

One of Dr. Wilson's cards, printed in Finnish, of which a section was translated, was considered. The Secretary was instructed to notify him to remove the words "painless" and extraction".

15—H. E. Mitchell and Charles Coulam

It was decided to instruct Mr. Price to appeal the conviction of Mitchell as a first offender for illegal practice, as he had been convicted previously; also that Coulam's case which had been dismissed should be appealed. Judgment was given that Mitchell's was a second offence and the fine was raised to \$200.00 and that Coulam was not guilty.

16—Dr. J. R. Crockett

On instructions from the executive committee the case of Dr. Crockett was investigated in connection with an advertisement which appeared in the "Toronto Evening Telegram" as follows, or a modification thereof:—

"Teeth, your opportunity to get a set of teeth for \$15.00. Fillings reduced accordingly. Box 157 Telegram."

Dr. Crockett met the Committee and admitted he had inserted the advertisement. He realized it was not professional but he had been in poor health for some time and was financially embarrassed.

17—Dr. W. R. Winters, Ottawa

A clipping from a Fort William paper intimating that Dr. W. R. Winters of Ottawa would be at the hotel certain days and "will be glad to meet any dissatisfied wearers of artificial teeth."

The correspondence from the Secretary to Dr. Winters was read, pointed out to him his unprofessional conduct and suggesting that he should not interview any patient who might wish to see him as a result of the item.

A reply stated that he was not aware that such an item was unprofessional and that he had not seen any patients.

18—Dr. S. Croll, Windsor

A complaint was received as to Dr. Croll's sign also as to an unethical advertisement in a local paper. Dr. Croll's brother met the Board at the special meeting in October and promised that Dr. Croll would co-operate with the Board.

19—A practitioner asked whether or not it would be ethical to allow his photograph to appear in a write up of the founders of his town to be published in the local paper.

Decided quite all right provided he did not pay anything for it, otherwise it would be unethical.

20—Several cases of dispute between operator and patient as to the account rendered were considered and opinion expressed.

21—A complaint was received that a practitioner retained the name of a former associate on the premises. Notified to remove it.

22—A promoter of a "Telephone Book Cabinet" explained the proposition to the Committee and asked approval for a Dentist's card to be included. Decided approval could not be given.

23—Signs

The whole question of signs occupied much of the time of the committee. Several practitioners requested the privilege of meeting the Committee which was gladly granted.

A copy of the regulations as agreed upon was sent to every Licentiate, in December.

The Secretary reported that he had visited over thirty practitioners in Toronto whose signs did not comply with the regulations and in practically every case was assured of the co-operation of the party concerned.

24—Four practitioners who had not paid the annual fee for 1931 were summonsed for practicing without a license. They each gave a covenant to pay all the expenses incurred if the charge were withdrawn. This was done and they were notified of the amount. Only one has paid though several communications have been sent them, registered.

NATIONAL ASSOCIATION OF DENTAL EXAMINERS

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Your representatives attended the annual meeting of the N.A.D.E. held in Memphis, Tenn., in October 1931.

Representatives of most of the States were present at this meeting, and many subjects affecting the profession on the continent were discussed.

The question of ethics occupied much time and attention of the meeting and exception was taken to some standards of ethics as expounded by the President of the American Dental Association.

The question of interstate relations is always discussed at these meetings as well as relations with foreign countries. One of your representatives, Dr. Mason, has been appointed chairman of the Committee of Foreign Colleges. A minute was placed on record that the Province of Ontario would be treated in exactly the same way as any State of the Union, and not as a foreign country.

We feel that membership in this Association is of great value when dealing with the border States, especially as it gives us that personal contact so necessary when dealing with any matters which may arise. Every effort should be made to approach the Michigan State Board with a view to adjusting our differences.

Respectfully submitted,

A. D. A. MASON

DOMINION DENTAL COUNCIL

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

The Dominion Dental Council will hold its next meeting previous to the British-Canadian-Ontario Dental Convention in Toronto on August fifth and sixth, in the Faculty room in the Dental Building, University of Toronto.

Many leading English dentists, interested in dental education will be in the City at that time and I feel that it would be opportune for the Board of Directors of the R.C.D.S., members of the D.D.C., and any dental educationists who are available to have an informal meeting when matters of mutual interest might be discussed.

During the last session of the House of Commons at Ottawa the dental members of the House were appointed a committee to interview the Government regarding the incorporation of the D.D.C. This committee reported that until all the Provinces of the Dominion were in agreement it would be impossible to obtain such legislation. Therefore as President of the D.D.C. I shall be unable to take further action at the present time.

I am also of the opinion it would be advantageous to change the Constitution to admit representatives of the different Universities in the agreeing Provinces, which have Dental Faculties. This would certainly give additional strength to the Council, in that these men would be present to give advice on Educational matters. Therefore, I would recommend that this Board forward the following notice of motion to the Council:—

Notice of Motion: "Notice is hereby given that the representative of the Royal College of Dental Surgeons of Ontario on the Dominion Dental Council has been authorized to move, at the next meeting of the Council, 'That the membership of the Board of the Dominion Dental Council be so constituted as to include one representative to be appointed from time to time by each Faculty of Dentistry located in an agreeing Province of the Dominion of Canada and that the necessary amendments be made in the D.D.C. constitution to make this change effective.'"

Respectfully submitted,

A. D. A. MASON, Representative

On motion the report was adopted and ordered to be entered on the minutes.

COURSE OF ECONOMICS FOR PRACTITIONERS

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

In accordance with your instructions to prepare a course in Economics, to be put on in two centres in the Province, your Committee secured the co-operation of four essayists, Dr. T. E. C. Butler, Dr. G. V. Morton, Dr. R. Gordon McLean, and Dr. A. D. A. Mason and commenced the task.

After the expenditure of considerable individual and collective effort the preparation was completed under the broader name of "The Development and Maintenance of a Successful Dental Practice."

The course was put on in London on April 20th and 21st with the very gratifying attendance of 80 from 26 places (497 practitioners in 95 places were notified of the meeting). On May 6th, and 7th, the course was given in Kingston with an attendance of 18 from 5 places (298 practitioners in 67 places were notified).

Your committee commends the very excellent work of the essayists and recommends that honoraria be granted them as for Extra-mural work and suggests that they be asked to supply the Board with copies of their respective papers.

The members of the Committee greatly appreciate the efforts of all those who contributed to the success of the course and are sincerely grateful to those who sent kindly comments and helpful suggestions.

Respectfully submitted,

E. C. VEITCH, Chairman.

G. H. HOLMES

A. D. A. MASON

On motion the following resolutions were unanimously adopted:—

- (1) That the report be adopted and entered on the minutes.
- (2) That each essayist be paid the regular Extra-mural honorarium.
- (3) That the Secretary be instructed to convey to the essayists and members of the committee the hearty appreciation and thanks of the Board for their successful efforts in providing such an excellent course.
- (4) That each essayist be requested to send a copy of his paper to the Secretary of the Board.
- (5) That the Board will consider providing the course at any point in Ontario if at least forty practitioners request it.
- (6) That the Dean of the Faculty be consulted with a view of having the course put on by one man as a three session meeting in Northern Ontario.

On Motion the report was accepted and ordered entered in the minutes.

LETTER FROM THE LIBRARIAN

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

For several years I have been collecting photographs of the graduating classes and now have a complete set from 1878 to 1910. Many of these are very frail as the cardboard is so old, and will not stand handling.

A plan is being evolved of photographing these and mounting them in a bound volume which would cost about \$200. or \$225. but would preserve these historical photographs in permanent form in which they might be viewed without fear of in any way injuring them.

A number of requests have been received for the publication of a catalogue of the books in the "Harry R. Abbott Memorial Library" and the other books in the Library.

I would ask permission to proceed with these two proposals with the understanding that the expense would be met from the "Abott Memorial Fund."

Yours very truly

C. A. KENNEDY, Librarian.

On motion the following resolutions were unanimously adopted.

- (1) That this board wishes to express to Dr. Kennedy their grateful appreciation of his untiring and so successful efforts in connection with the Library and Museum.
- (2) That the Librarian's request regarding the two proposals be granted.

TORONTO CONFERENCE OF DENTAL HEALTH SERVICE

On motion it was decided that the Secretary should represent the Board on this organization.

DENTISTS' LEGAL PROTECTIVE ASSOCIATION

The annual report of the Dentists' Legal Protective Association was presented for information, (find copy enclosed).

On Motion the Secretary was instructed to convey to Dr. Harold Clark, President of the Association the hearty appreciation of the Board for his earnest and indefatigable efforts on behalf of the Association.

WORKMEN'S COMPENSATION BOARD

A communication was received from the Workmen's Compensation Board enclosing a list of the Dental Services provided by the Board and requesting that a fee should be set for each item .

This was discussed at great length and a fee set for each service. Drs. Mason, Veitch and Thompson were appointed as a committee to meet the Compensation Board regarding the whole question of dental fees.

JOINT CONVENTION

A letter was presented from the Committee in charge of the arrangements for the Joint Convention to be held in August, quoting Sub-Sect. (2) of Sect. 21 of the Dentistry Act and stating that the Convention was an institution for imparting instruction in Dentistry and asking the consent of the Board.

On Motion the request of the Convention Committee was granted.

A further letter from the Committee was presented asking the co-operation of the Board and Faculty in entertaining the guests at the time of the Convention.

On Motion a grant of \$300.00 was made towards the expenses of the afternoon function at the Dental Building and Hart House and a committee of Mason, Veitch, Kennedy and Willmott was appointed to act with any other committee attending to this function.

BUSINESS TAX

A letter from the Board of Governors of the Ontario Dental Society called attention to the unfairness of the Assessment Act in assessing the business tax on Dentists who have their office in their homes, and suggesting that the Board should approach the Government with a view of having the Act amended so that aged or incapacitated Dentists practicing in their residences and unable to earn sufficient income to justify a business tax arrived at by the present method, might appear before a Court of Revision and secure a reduction.

On Motion this was referred to the Legislation Committee.

PRACTITIONERS AND COMMERCIAL COMPANIES

A letter from a Licentiate in active practice was read asking the consent of the Board to his accepting a position with a company manufacturing a local anaesthetic, to lecture and clinic on Local Anaesthesia and Dental Surgery to the Dentists of Ontario.

After a lengthy discussion on the whole question involved the following resolution was unanimously passed;—

"That this Board places itself on record as being opposed to the principle of any member of the R.C.D.S., while in active practice, accepting a contract with any commercial company for the purpose of advertising any product, either by clinics, demonstrations or teaching."

ALL-TIME SECRETARY

The following resolution was unanimously adopted:—

That Dr. W. E. Willmott be appointed full time secretary-treasurer of the Board at an annual salary of \$4,000.

FINANCIAL STATEMENTS

May 31st, 1932.

To the President,

Royal College of Dental Surgeons of Ontario.

Dear Sir:—

We have audited the books and vouchers of the Royal College of Dental Surgeons of Ontario for the year ending April 30th, 1932, and submit herewith certified balance sheet and statements of receipts and disbursements for the General Account, Ex-Service Men's Loan Account, and the Harry R. Abbott Memorial Library Fund.

The Canada Trust Company, Trustees for the Estate of Dorinda E. Tully, has remitted \$834.63 on account of the income of said trust, but no detailed statement has been furnished showing the amount due the Harry R. Abbott Memorial Library Fund by the Estate at the present time.

We wish to draw your attention to the condition of the loans to ex-service men and the relatively small repayments being received. The payments on principal and interest during the year under review amounted to \$1,008.91 and \$247.17 respectively, and the unpaid balances as of

April 30th, 1932 were \$25,796.35. We would recommend that these accounts be reviewed by the Board of Directors and record made in their minutes of such action as may be decided upon in regard thereto. No accrued unpaid interest on these loans has been considered in the accompanying statements.

Respectfully submitted,

The Board met on Tuesday, October 25th at 10.00 a.m., adjourned at 12.30 p.m.; met at 2.15 p.m., adjourned at 5.45 p.m.

All the members were present and the following business was transacted.

The Secretary read the call of the meeting:—

October 14th, 1932.

Dear Dr.:

A special meeting of the Board of Directors of the R.C.D.S. will be held in the Board room on Tuesday, October 25th, 1932, at 10.00 o'clock a.m. to transact such business as may be necessary.

Yours very truly,

(sgd.) W. E. WILLMOTT,
Sec'y, R.C.D.S.

TORONTO ACADEMY OF DENTISTRY

A communication was received from the Toronto Academy of Dentistry enclosing a copy of the programme for the winter and asking permission to carry it out (see Section 21, sub-Section 2 of the Dentistry Act).

On motion the request was granted.

UNIVERSITY SENATE

A communication from the Registrar of the University of Toronto called attention to the fact that the term of the representative from the Board on the Senate had expired and asking that a successor be appointed.

It was unanimously resolved that "Dr. S. M. Kennedy be the representative of the Board on the Senate of the University of Toronto for the ensuing term."

NURSES' COMMENCEMENT

A request was received from the Faculty of Dentistry of the University of Toronto, that the commencement exercises of the Nurses' class be held during commencement week of the University.

On motion the request was granted.

DENTAL SERVICE AND PUBLIC RELIEF

Dr. Conboy met the Board and explained that in emergency relief cases the Medical attendant receives compensation while the Dentist does not.

On motion the matter was referred to a committee of Mason, Veitch and Conboy with power to act.

EXTRA-MURAL SERVICES

The following resolution was adopted: "That the Board recommends that the full time members of the Faculty be remunerated on the same basis as the part time members."

Dean Seccombe presented the question of attendance at extra-mural lectures and suggested that notices for such might be sent from the Faculty office to all Dentists within reasonable distance of the lecture centre instead of depending upon the local Secretary.

After considerable discussion it was resolved: "That it be suggested to the Dean that the Secretary of local arrangements be consulted and if it is his desire, the notices be sent from the Faculty office."

VIOLATIONS OF THE ACT

Several complaints of unlicensed practitioners were referred to the Discipline Committee.

A Toronto Dentist whose technician was reported to be doing work for patients met the Board and assured the members that the accusation was entirely unfounded. That he knew the man in question was not violating the law.

BUSINESS ASSESSMENT

Several representations were made regarding the unfair basis of assessment for taxation of Dentists who have their offices in their private homes compared with those in office buildings. This was referred to the Legislative Committee to take up with the Government.

ARREARS OF FEES

The Treasurer reported a number of Licentiates in arrears for their annual fee.

The following motion was unanimously adopted: "That the Discipline Committee be instructed to proceed against those who have not paid the fee, for practicing without a license."

STUDENTS' LOANS

The Secretary reported that he had had a conference with Mr. Gibson, Manager, Chartered Trust & Executor Co., and had arranged for him to take the same action on Dental loans as he does on University loans.

SIGNS

1.—A complaint was received regarding the sign of Dr. B. Reeves of Fort Francis:—Dr. Reeves, Optometrist, in 10-inch letters immediately over Dr. Reeves, Dentist, in four-inch letters.

The Secretary was instructed to consult the College Solicitor.

Several communications were received and several practitioners appeared before the Board regarding "Signs."

It was decided that the regulations as issued to the profession should be enforced, except that the words X-ray would be permitted for the present when in letters not more than four inches.

Motion: "The Discipline Committee be instructed to investigate the following practitioners in Toronto in regard to their signs—A. V. Gardner, B. Bregman, A. D. Wood, J. M. Sharpe, R. Brown, S. Copland, G. L. McKibbin, L. T. Veitch, J. H. Griss, T. H. Wylie." Carried unanimously.

WORKMEN'S COMPENSATION BOARD

To the Board of Directors of the R.C.D.S.
Gentlemen:—

Following the discussion at the meeting of the Board last June regarding a scale of fees to be allowed to Dentists by the Workmen's Compensation Board, your Discipline Committee discussed the scale of fees as approved by the Compensation Board with members and officers of that Board, and a further conference was to be held. However, our next communication stated that a schedule of fees had been approved and was in the printer's hands.

Your Secretary wrote the Board asking that the list be held up until our Committee could again present our views to the Board. This was refused and we were instructed that the list as printed was final.

Dr. Thompson then arranged a meeting with Col. Price, Attorney-General, before whom the matter was placed and an appointment asked for with the Chairman of the Compensation Board, Mr. Sinclair. This was granted and a sub-committee met with Mr. Sinclair on Wednesday, October 19th, with the result that the following scale was agreed upon:

The Secretary read the call of the meeting:—

Toronto, April 20th, 1933.

Dear Dr.:

The Discipline Committee has been called for April 27th at 10.00 o'clock.

W. E. WILLMOTT,

Secretary, R.C.D.S.

DISCIPLINE COMMITTEE

The Discipline Committee reported that since the notice for the Board meeting had been sent out, all those who had been before the Committee had complied with the regulations except one, (Dr. ———), and that the Committee considered him guilty of "improper conduct in a professional respect."

Moved, seconded and unanimously carried, "That the license of Dr. _____ be suspended from May 15th until such time as his signs conform to the regulations."

(As these signs were corrected before notice could be given, the dentist's name is omitted).

Dr. A. S. Thomson

Dr. A. S. Thomson, Toronto, asked the opinion of the members of the Board regarding a disputed account.

On motion it was decided that Dr. Thomson's account, as presented, was not excessive.

PAST PRESIDENT'S REPORT

Gentlemen:

The duties of the President during the past two years, while necessitating some time, have not been onerous. It has, indeed, been a great pleasure to be associated in Board work with so splendid a body of men as composed the Board of Directors of the Royal College of Dental Surgeons during the term just closed.

The principal activities of the Board are carried on through its committees and much credit is due the various committees for the splendid results obtained. I would mention in particular the Discipline Committee, the members of which under the chairmanship of Dr. Walter Thompson, have been untiring in their efforts to put our profession on a higher plane of thought and action.

The Extra-mural service has been more widely distributed the past two years which, in my opinion, is a step in the right direction. I believe the profession is seized with the importance of this work and will demand more of it in the future.

Your Board saw fit at the last annual meeting to appoint a full time officer in the person of Dr. Walter Willmott. I am sure you will all agree with me when I say that this was a very necessary appointment and that a very satisfactory and happy selection was made.

The Treasurer's report shows that we have weathered the period of depression in a very splendid way and that the finances of the Board are in a most satisfactory condition.

S.M.KENNEDY,
Past President

London. May 30th, 1933

BALLOTS

The President was authorized to open the envelope laid on the table by the Secretary to ascertain if the enclosed envelopes contained anything other than ballots. They did not.

On motion the President and Secretary were instructed to destroy the ballots cast in the recent election. (This was done by putting them in the furnace of the College Building).

DR. W. M. McGUIRE

Motion carried unanimously:— "That the members of this Board wish to express to Dr. W. M. McGuire their sincere appreciation of the valuable and untiring services so willingly and graciously rendered to the Profession of Dentistry during his twenty years membership on the Board and their earnest hope that he may still enjoy many years of happy association with the members of the Profession."

DR. W. G. THOMPSON

Motion carried unanimously:— "That the members of this Board desire to express to Dr. W. G. Thompson, F.A.C.D., their appreciation of the splendid service unselfishly rendered to the profession and of his untiring efforts and interest in the problems which faced the Board during the past ten years and in the advancement of his chosen profession."

DEAN SECCOMBE

Dean Seccombe met the Board and discussed several matters of interest to the profession.

(a) Consultation Service; over 160 practitioners had taken advantage of this service during the year. It was of great value to the profession.

(b) Library: A new catalogue had been prepared and over 800 copies sent out on personal request.

(c) Extra-mural Service: 21 clinicians and lecturers had made 60 visits during the year (see page 17).

On motion it was decided that not more than three visits should be made to the same community during the year.

The proposed honoraria as adopted by the Faculty was submitted and on motion accepted as follows:

Part time members of the staff, \$25; whole time \$15. This applies to centres in Ontario except Belleville, Owen Sound, Sarnia and Wingham which require two days absence. For these places the honoraria shall be \$35 and \$25.

(d) Clinics in the dental building: This was discussed at some length and on motion the Faculty was requested to arrange for three clinics to be given in the Dental building during the coming year, under the extramural plan to which all Licentiates in Ontario are to be invited.

(e) James Branston Willmott Scholarship: A copy of a proposed Statute on the Senate of the University dealing with this was submitted and on motion adopted with slight change (see page 23).

(f) Dental Nurses' course was reviewed and suggestions solicited.

Board's two prizes for first and second general proficiency and the Alumnae ring for the highest in practical work, with the provision that no candidate shall be awarded more than one prize.

SECRETARY'S REPORT

1932-33

To the Board of Directors of
The Royal College of Dental Surgeons.
Gentlemen:

Your Secretary presents herewith his report for 1932-33.

Minutes

The minutes of the last meeting were prepared as soon as possible after adjournment and a copy mailed to each Licentiate in Ontario and by request to several in other localities

Application for License

Applications have been received from 30 members of the 37 in attendance in the fifth year in the Faculty of Dentistry of the University of Toronto.

Dominion Dental Council

One Dominion Dental Council certificate has been registered and the fee paid during the year, Dr. A. J. McLellan from Nova Scotia.

Changes in the Register

On April 30th, 1933 there were 3,450 names on the register 36 having been added since April 30th, 1932.

There have been transferred from the active to the inactive list 69. Of these 9 have died in practice in Ontario, 7 died out of practice in Ontario, 10 have retired from practice in Ontario, 2 have moved to the United States, 1 to England, 1 to Manitoba, 7 addresses not known and 39 fees not paid.

From the inactive to the active list, 47 have been transferred, 8 from Saskatchewan, 4 from United States, 2 from Manitoba and 1 from Michigan and 37 have resumed practice or paid arrears of fees. 32 have moved from one town to another in Ontario.

Nurses' Graduation

The Committee in charge has arranged that the graduating function of the Nurses' Class will be held on Tuesday evening, June 6th, 1933, in the Arts and Letters Club. Judge H. S. Mott has kindly consented to address the class. The exercises will be followed by a dance.

Mail Matter

During the year, 3,933 articles have been received and 11,412 sent out.

Ontario Gazette

As instructed by the Board last June, the Ontario Gazette was subscribed for and each issue has been carefully looked over. No reference to anything affecting Dentistry has been noted.

Signs

A very large part of the time of your Secretary during the past year has been taken up with "signs."

After four visits to Hamilton, with a number of personal calls, and many communications there is very little out of harmony with the regulations in that city.

Several other places were visited and suggestions made in the few cases where necessary but have not been followed up.

In Toronto over 350 miles have been travelled. On the first inspection over 150 visits were made (out of about 200 cases of irregularity), calling attention to the regulations and requesting compliance therewith, most of the others were subsequently visited. In many cases second, third or fourth visit was made and in addition many letters were sent. As a result there are very few glaring cases of non-compliance with the regulations. Several persistent offenders have been notified to meet the Discipline Committee on June 1st. With few other exceptions, in the majority of cases still not according to regulations, it is a matter of more than three signs.

Further instructions as to these and as to other parts of the Province should be given.

Your Secretary desires here to place on record his very sincere appreciation of the most cordial reception accorded him on his many visits and of the ready and prompt co-operation on the part of the great majority of those whose attention was called to the irregularity of their signs.

Business Tax

The question of the unfairness of the Assessment Act in assessing the Business Tax on Dentists who have their office in their house was not rectified at the last meeting of the Legislature. Some action should be taken on this.

Standing Resolutions

In the minutes of several meetings there are some resolutions regarding certain regulations which might easily be overlooked. The suggestion is made that these should be included in the printed minutes from year to year.

Letter File

As the filing case is badly crowded, it will be necessary to either destroy ancient correspondence or provide additional space.

Tablets

The three busts in the Library and the blow-pipe sketch of the late Dean Willmott in the Infirmary have nothing to indicate the artist nor the subject. I would suggest that suitable tablets be secured and put on them.

Appreciation

I once more wish to place on record my very sincere gratitude for the ready, cheerful and valuable advice rendered me by Dr. Mason, whom I have frequently consulted on account of his being so readily reached. I also wish to sincerely thank Drs. Kennedy, Thompson and Veitch for their valuable assistance on many occasions.

DR. W. D. BRYCE

Dr. W. D. Bryce of Flesherton met the Board in connection with a large card in the Flesherton paper. He and Dr. E. C. Murray also of Flesherton explained the circumstances regarding the notice.

On motion Dr. Bryce was censured for his breach of ethics and requested to give an assurance that the offence would not be repeated. This was given.

REPORT OF DISCIPLINE COMMITTEE

1932-1933

The Discipline Committee gave attention to the following cases:—

1—Dr. C. Daryaw, Detroit.

Dr. Daryaw graduated in 1919; had been practicing in Detroit for some years and wished to return to Ontario. A letter was received from some Windsor dentists, objecting to his return. Dr. Daryaw appeared before the Committee and explained how and where he had been engaged during his absence from Ontario. Committee granted permission to return to Ontario.

2—Petrovitch, Kirkland Lake.

A Quebec graduate is alleged to have an extensive practice in Northern Ontario. This has been under investigation for some time, which will be continued.

3—Illegal Mechanic.

A man employed as a mechanic was reported as practicing in his home. Our agent investigated and reported that the charges were not correct.

4—Dr. W. M. Arthurs, Hamilton.

A communication was received from the Liquor Control Board stating that Dr. Arthurs' permit had been cancelled after conviction under Sec. 81 (1) "Consumption elsewhere than in a residence," and for other misconduct. Dr. Arthurs was notified that if any further report of misconduct was received, the Committee would recommend that his license be cancelled.

5—Dr. F. W. Smale, St. Catharines.

A charge for illegal practice, (fee not having been paid), was laid in December, 1931, and withdrawn on his giving a covenant to pay the expenses. Case was withdrawn, but nothing paid and no attention to numerous letters. In March, 1933, another charge was laid and is still before the Court. He has since paid the amount of the original covenant, but objects to pay the expenses of the last charge.

At the April meeting of the Board this was referred to Dr. Thompson and Mr. Bowlby, Solicitor, with power to act.

6—Dr. G. R. Patterson, Toronto.

Board of Health reported his premises to be in an unsanitary condition. The Secretary, on request of the Committee, called and made suggestions as to improving conditions.

7—Dr. H. V. Pogue, Wellandport.

Has a travelling dental car and has an assistant with him about whom complaint was made that he was violating the law by working for patients. Our Agent made an investigation and reported that the assistant did not work in the mouth.

8—Dr. R. G. McGregor, Sarnia.

A letter was received from Dr. McGregor stating he had a communication from the Department of National Health inquiring about his name not being on the list of Dentists in good standing in Ontario. Regretted that financial and other reverses had pre-

vented his paying his Annual Fee. The Secretary was instructed to communicate with him.

9—Fees.

The Treasurer reported a few fees still unpaid. Instructed to send a notice that in the cases where the Annual Fee is not paid by May 1st, the account would be put into the Division Court for collection.

10—Signs.

A very large part of the time of the Committee was occupied by correspondence from, or by personal attendance of a number of Dentists whose signs did not comply with the regulations. The Committee decided that in each case the regulations, with minor exceptions, should be complied with.

DOMINION DENTAL COUNCIL

Dr. Mason, representative from the Board on the Dominion Dental Council presented the following report which on motion was received and entered on the minutes:—

To the Board of Directors,

Royal College of Dental Surgeons

Gentlemen:

The Board of the Dominion Dental Council met in the Board room of the R.C.D.S. in Toronto, August 5th and 6th, 1932. All the provinces were represented. Your representative was chairman of the meeting.

During 1931-32 a committee composed of the dentists who are members of the Federal House endeavored to obtain incorporation for the D.D.C. This, however, was not possible as Federal legislation cannot be passed to compel a Province to accept nor can a Federal law be passed applicable to a limited number of the Provinces.

During the joint meeting of the British, Canadian and Ontario convention an informal discussion between members representing different parts of the Empire was held with a view to a better understanding between the teaching and the licensing bodies of the different parts of the Empire. This meeting resulted in a better understanding of the problems in the different parts of the Empire and established the fact that standards on the whole are fairly uniform.

For the information of the Board the following communication is of interest:— "A letter dated November 1931, from the Director of Examinations of the Royal College of Dental Surgeons of England stated that graduates from the Faculty of Dentistry of the University of Toronto would hereafter be admissible direct to the final examination for license in Dental Surgery of the Royal College of Surgeons of England, on producing evidence of having completed, subsequent to graduation, six months general medical and surgical hospital practice at a recognized Medical School and Hospital in Great Britain."

It is the policy of the D.D.C. to facilitate having Quebec and British Columbia join with them and the invitation has been forwarded to these Provinces.

Respectfully submitted,

FEE SCHEDULE

To the Board of Directors of the
Royal College of Dental Surgeons

Gentlemen:

Your committee appointed to prepare schedules of fees for city and rural practices gave a great deal of time and thought to their preparation. Subsequently, however, doubt arose as to the advisability of the Board being responsible for the issuing of such schedules. The advice of our Solicitor was obtained. He gave it as his opinion "that it would

be unwise for the Board of the R.C.D.S. to assure that responsibility." As a result of his opinion the question was referred to the Ontario Dental Association.

I have now completed the collection of photographs of the graduating class from 1878 to the present time (with the exception of 1881, 1882 and 1885), which has been much admired.

During the past winter a very fine collection of flowering plants and ferns has been added to the Library, making the room much more cheerful and homelike.

Several very interesting specimens have been added to the Museum, including a number of rare books

The following have made donations, which have been gratefully received.

Periodicals:— Drs. C. A. Corrigan, W. Seccombe, A. E. Webster, S. J. Lesco, L. G. Smith, C. A. Snell, F. C. Husband, J. F. Ross, C. E. Brooks, T. W. Dawson and R. R. Butler.

The regulations as adopted provide for a Second Year and a Third Year Scholarship of seventy-five dollars (\$75) each to be awarded to the student who obtains highest standing in honours at the annual examinations in the Faculty of Dentistry in that year. And a Fourth Year Scholarship of one hundred dollars (\$100) to be awarded to the student, who having obtained an average of at least sixty-six percent (66%) at the annual examinations of the fourth year in the Faculty of Dentistry, ranks highest in Clinical Dentistry.

That honours be defined to be an average of at least seventy-five per cent (75%) in all the subjects of the year.

DIRECT RELIEF

The committee on Direct Relief presented the following report which was received and entered on the minutes, on motion.

May 31st, 1933

To the Board of Directors,
Royal College of Dental Surgeons of Ontario.
Gentlemen:

Following the decision of the Government to provide medical relief to indigents living in the province, your committee on direct relief arranged a conference with Dr. Montieth, the Minister of Public Works and Labour who has charge of relief service. The Minister of Health, Dr. Robb, was of special assistance to us at the conference.

Dr. Seccombe presented the case for dentistry, pointing out the fact to the government that dentistry did not wish to add particularly to the financial burden of the government, but only that the dental service already allowed to indigents should be given by dentists rather than by medical practitioners, as they were specially trained and equipped to give this particular service.

The result of this conference and personal interview has been that

the government has announced that a sum of \$3,000.00 per month will be available for this particular service.

As well as by the Minister of Health, his Deputy and the Director of Dental Services in this Department your committee was supported by the President of the Royal College of Dental Surgeons, the President of the Ontario Dental Association, and the Chairman of the Public Dental Health Committee on this occasion.

BUREAU OF STANDARDS

NATIONAL ASSOCIATION OF DENTAL EXAMINERS

The following report was received and entered on the minutes: To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

The meeting of the National Association of Dental Examiners was held in Buffalo, September 10th, 1932. As chairman of the Committee on Foreign Colleges I reported progress pending the report of the Carnegie Foundation on the question of the Dental Curriculum. Ontario's relation to the N.A.D.E. as a foreign country was established at a former meeting and has been reported previously.

The report of the Dental Educational Council of America by President Henry L. Banzhaf was received and the following resolution passed:—

"RESOLVED, That the National Association of Dental Examiners express unqualified disapproval of the use by any body of organized dentists, or other individuals, of that part of the present educational publicity policy of the American Dental Association referred to as advertising; and be it further

RESOLVED, That the National Association of Dental Examiners urge the Board of Trustees and the House of Delegates of the American Dental Association to take such action as will definitely express disapproval of that part of the educational program referred to as advertising, and refrain in the future from endorsing any publicity which may in terms, expressed or implied, be construed as advertising." This was possibly the most important subject discussed at the meeting.

There was a good discussion on state board examinations with the idea of maintaining a high and uniform standard.

The division of Dentistry into Stomatologists and Mechanics was discussed and is of paramount importance at the present moment.

As an item of information, chain offices in Dentistry is a problem before the different states and is of interest to this organization.

Most of the problems discussed applied to the United States but these same conditions apply as much to Canada and therefore it is beneficial for us to keep in contact with the N.A.D.E.

ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO FINANCIAL STATEMENT

(Year ending April 30th, 1933)

To the President,
Royal College of Dental Surgeons of Ontario.

Dear Sir:—

We have audited the books and vouchers of the Royal College of Dental Surgeons of Ontario for the year ending April 30th, 1933, and submit herewith certified Balance Sheet and statements of Receipts and Disbursements for the General Accounts, Ex-Service Men's Loan Accounts and the Harry R. Abbott Memorial Library Fund.

We would repeat the comment contained in our report of last year with reference to the condition of the loans to ex-service men and the relatively small repayments being received. The payments on principal and interest during the year under review amounted to \$862.66 and \$210.60 respectively and the unpaid balances as of April 30th, 1933 were \$24,533.69. This figure is after writing off a \$400.00 balance owing by a borrower who died during the year. This write-off should be confirmed by resolution of the Board. We understand that a

committee has been appointed to investigate the position of these loans and no doubt their report will be incorporated in the minutes of the Board meeting to be held during the first week of June. No accrued unpaid interest on these loans has been considered in the accompanying statements.

Respectfully submitted.

THORNE, MULHOLLAND, HOWSON & McPHERSON,
Chartered Accountants.

I. REPORTS

A—

SECRETARY'S REPORT

To the Board of Directors of

The Royal College of Dental Surgeons of Ontario:

Gentlemen:

Your Secretary presents, herewith, his report for 1933-34.

Minutes

Several circumstances conspired to delay the mailing of the report for 1932-33 until August, when a copy was mailed to each Licentiate in Ontario and by request to a few in other localities.

Application for License

Applications for the L.D.S. have been received from 28 of the 35 in attendance in the fifth year of the Faculty of Dentistry of the University of Toronto.

Dominion Dental Council

One Dominion Dental Council certificate has been registered during the year by Dr. J. W. M. Lawrence of Nova Scotia.

Th holders of 22 D.D.C. certificates have registered in Ontario, of whom 13 are now practising in the Province, and two have died.

Changes in the Register

On April 30th, 1934, there were 3,539 names on the register, 27 having been added since April 30, 1933.

There have been transferred from the Active Register to the inactive list, 87; of these, 13 have died, 9 have retired from practice in Ontario, 2 have moved to the United States, 1 to Saskatchewan, 1 to British Columbia, 1 to Quebec, 56 whose fees are not paid and 4 whose addresses are unknown.

72 have been transferred from the inactive to the Active Register; 64 have renewed practice or paid arrears of fees — 2 from Manitoba, 1 from Saskatchewan, 5 from the United States.

Nurses' Graduation

The Committee in charge has arranged that the graduation function of the Nurses' Class be held on Tuesday evening, June 5, 1934, in the Arts and Letters Club. Judge R. S. Hosking has kindly consented to address the class and Rev. R. McCleary will give the invocation.

Nurses' Indentures

In 1928, the Board provided that a graduate of the Nurses' Class should complete two months indentureship in an office before receiving her diploma and pin. For several reasons the Faculty consider it would be wise to rescind this, so she might receive her diploma and pin at the graduation exercises. The Dean will discuss this with the Board.

Signs

As suggested at the last Annual Meeting, and at a Special Meeting, your Secretary visited a few counties in Western Ontario in June last, the Eastern counties in July and the extreme Western counties in April. In all, 540 offices were visited in 123 localities. In 113 instances the signs did not conform to the regulations. All those visited in June and July, whose signs were not in accordance with the regulations, have signified their compliance. During the April visits, about 25 were found to be contrary to the rules. Of these, only two or three made any objection to complying. A number of visits were made in Toronto

and the signs here are gradually being brought into harmony with the regulations.

A number of those visited asked if it would be possible for the Board to arrange that a series of articles be published in the press to educate the public to the necessity for dental service.

Fifty Years in Practice

As in former years, complimentary registration for the year was sent to those who had been in practice fifty years or more. These were:

1884	F. A. Denne	Stayner
1884	G. L. Ball	Toronto
'884	F. Kilmer	St Catharines
1884	A. A. Smith	Cornwall
1883	F. J. Stowe	Toronto
1881	H. Weller	Welland
1871	S. Woolverton	London
1882	O. H. Ziegler	Toronto
1875	I. L. Nicholls	Chatham
1876	J. Pentland	Peterboro
1877	N. A. Gumaer	Kincardine
1879	E. Hart	Brantford
1882	D. T. Baxter	Hamilton
1882	C. F. Knight	Hamilton

Drs. G. L. Ball and N. A. Gumaer have since passed on.

Regulations Regarding L. D. S.

Several inquiries have been received as to conditions required of other colleges in order to practise in Ontario. Would it be wise to revise the present regulations?

Printing Act and By-Laws

As the Act has been amended and as a number of changes will be necessary in the By-Laws, it is recommended that a new edition of the Act and By-Laws be published.

Elections

As the election for members of the Board will take place next Fall, your Secretary should be given any necessary instructions at this meeting.

Mail Matter

During the year 3,045 articles have been received, and 7,727 sent out.

TREASURER'S REPORT

To the Board of Directors of

The Royal College of Dental Surgeons of Ontario:

Gentlemen:

Your Treasurer presents, herewith, his report for 1933-34.

Licentiate Fees

Just previous to the last annual meeting 115 arrears for 1932 and 1933 were put into the Division Court. Subsequently, several writs were issued and several judgment summons.

Notice of the fee for the current year, being due in January 1, 1934, was mailed during the last week in November to each Licentiate practising in Ontario as far as his address was obtainable.

On January 20, 926 second notices were sent and in March 316 drafts were put through the bank. Later, about 80 personal letters were sent. When the books were closed for the year there were:

7 in arrears for 3 years,
13 in arrears for 2 years,
13 in arrears for 2 years,
66 in arrears for 1 year.

It was decided that each Member should take this up with those in his District.

A number have since paid, leaving the following in arrears, July 1, 1934:

The number represents the number of years in arrears.

Extra Mural Service

In July last a cheque was received from the University of Toronto for \$280.00 being the balance at the end of the University Financial Year, June 30th, which had not been expended for honoraria for the speakers from the grant of \$1,000 made by the Board and forwarded to the Bursar.

In March it was found that the requests for Extra-Mural Service would require an extra \$95.00 for Honoraria which was sent the University on instructions from the President.

During the year 19 speakers and clinicians visited 55 meetings, whose expenses amounted to \$934.46.

In consequence of the increasing requests for this service it might be well to reconsider the regulations that not more than **three** visits shall be made to the same place in any one year.

Ex-Service Men's Loan

On April 30, 1933, 92 men owed \$24,533.69 on their loans. During the year, 3 have paid in full \$33, 15 others have paid on account \$394.35. On April 30, 1934, there were 89 owing \$24,107.34. Interest amounting to \$1,569.62 has been transferred to the Board account. Government Bonds amounting to \$38,500.00 are on hand.

In November when the Ottawa Valley Bonds of the R.C.D.S. were being exchanged, your Treasurer noticed that there was about \$1,800 in this account and purchased \$1,500 Government Bonds, overlooking the fact that the amount included \$875 coupon interest, which should later be transferred to the Board account. Consequently, this account owes the Board account \$425.00 interest.

Ottawa Valley Bonds

As instructed by the Board these Bonds have been sold, the price obtained was 99½ and Dominion of Canada bonds 4½-1958 were purchased at 100.

Library

Nothing has been expended during the year of the \$143.13 on hand, balance of special grant from the Ontario Dental Association in 1926-27 to be expended as the Librarian desired.

ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO FINANCIAL STATEMENT

(Year ending April 30th 1934)

To the President,

Royal College of Dental Surgeon of Ontario.

Dear Sir:—

We have audited the books and vouchers of the Royal College of Dental Surgeons of Ontario for the year ending April 30th, 1934 and submit herewith certified Balance Sheet and Statements of Receipts and Disbursements for the General Accounts, Ex-Service Men's Loan Accounts and the Harry R. Abbot Memorial Library Fund.

With reference to the collection of loans to ex-service men, the condition still exists that there are relatively small payments being received. The payments on principal and interest during the year under review amounted to \$426.35 and \$193.00 respectively and the unpaid balances as of April, 30th, 1934 were \$24,107.34. In this connection, we would refer you to the policy adopted by the Board at its October, 1933, meeting as to the collection of these loans. As recommended in our last year's report, the \$400.00 balance owing by a borrower who died during that year and which was subsequently written off should be confirmed by resolution of the Board. No accrued unpaid interest on these loans has been considered in the accompanying statements.

No payments were received during the year on account of the students' loan and accrued interest. As the note given for this loan is dated October 31st, 1929, we would suggest that a new note be obtained covering principal and interest, and efforts made to have the lapsed life insurance policy reinstated if possible for security.

The outstanding licentiate fees at April 30th, 1934, amounted to \$566.00 which included \$121.00 for year 1933 and \$35.00 for 1932.

Respectively submitted,

The Librarian presented his report for the year as follows:

Your Librarian has the honour to report that, following the distribution of the revised catalogue of books in the Library, requests have been received by mail from the far West to the Maritimes, a total of 151 books being sent out of town, 285 being loaned to Dentists in Toronto and environs. Members of the Faculty, Graduate Dental Nurses and the members of the Staff borrowing 381 books, Students and Pupil Nurses, 1,000, and Students from other Faculties, 168, making a total of 1,985 in circulation during the past session.

A number of very interesting museum specimens were added to our collection, and any unusual specimens which would be interesting to the students will be very acceptable.

DOMINION DENTAL COUNCIL

Dr. Mason presented his report as representative to the Dominion Dental Council, as follows:

To the Board of Directors of

The Royal College of Dental Surgeons of Ontario.

Gentlemen:

The Dominion Dental Council met at the Royal York Hotel in Toronto, on May 18th and 19th, 1934. All the provinces, which are members of the Council, were represented. Meetings were held during the mornings, afternoons and evenings, so two very strenuous and profitable days were spent.

During the two preceding years the President, Dr. L. T. Allen of Lethbridge, Alta., carried on negotiations with British Columbia and Quebec regarding the possibility of these provinces entering the D.D.C. with the result that both provinces sent representatives to meet the Council in an informal discussion of the dental situation in Canada and with a view to possible closer affiliations with the D.D.C. Although no definite arrangements were possible at this meeting, still we believe that the meeting adjourned with a better understanding of our common problems, and the situation seems very favourable that either or both of these Provinces may enter the D.D.C. in the near future. It was recommended that when either of these Provinces enter the D.D.C. that Class A. candidates only be considered.

The problem of foreign students attending Canadian universities was discussed and the following resolution passed.

"That for these candidates to be eligible for the D.D.C. they must produce evidence of having obtained Canadian citizenship and of having resided in Canada for a period of two years prior to entering on the study of Dentistry."

The council approved the principle that the Faculty of Dentistry of the Universities of the agreeing Provinces be represented on this Council with full privileges but that at the present time the finances of the Council will not permit of any financial obligation toward the defraying of any expenses or remuneration of these representatives.

The Council appointed a committee to study the whole question of examinations and I would recommend that this Board appoint representatives to meet with that committee with the view to standardization of examinations and standards within Canada.

At the present time the D.D.C. graduates are on an academic equality in all Provinces, yet, at the same time, as some Provinces accept candidates to their provincial examinations on a lower standard, we would suggest that the D.D.C. communicate with these provinces with a view to advancing all requirements to enter any Province to the standard of the D.D.C.

The financial report of the Council and the Minutes will soon be printed and published.

As Saskatchewan had changed their representatives to the Council, Dr. Cowan could no longer retain the position of Secretary-Treasurer, and the Council was kind enough to honour this Board by electing your representative to this important position.

All of which is respectfully submitted,

(signed) A. D. A. MASON

E— NATIONAL ASSOCIATION OF DENTAL EXAMINERS

Dr. Mason presented the report of the Representatives to the National Association of Dental Examiners as follows:

To the Board of Directors of

The Royal College of Dental Surgeons of Ontario.

Gentlemen:

Your representatives attended the meeting of the National Association of Dental Examiners held at the Hotel Stevens, Chicago, on August 7, 1933 and the printed minutes are submitted as published.

The only discussion of vital interest to our Board was that some States demand that before a candidate sit for examination, he take out citizenship in that particular state. Your representative pointed out that this was a hardship. That, although we agree that citizenship be required before entering practice in any State, still we felt that any candidate ought to be allowed to sit for examination before taking out such citizenship.

The Association went on record that State Boards should not recognize candidates from proprietary schools. With this we heartily agree.

The question of a "Model System of State Board Examinations" was discussed. This would act as a guide to the different State Boards and when culminated would be a great help to the various licensing bodies.

It is strongly urged that all licensing boards of the Association report changes in their dental laws or regulations to the Secretary of the National Association of Dental Examiners.

All of which is respectfully submitted,

(signed) L. D. HOGAN

The Chairman of the Committee, by request, investigated the situation and the matter was satisfactorily terminated.

Mail Order Dentistry

This subject occupied much time of the Committee and the activities of the International Dental House, (formerly the Chicago Dental House) which is attempting to induce Canadians to procure dentures from them by mail, were investigated.

On representations to the publishers considerable advertising was discontinued. Further progress was made by the Committee in other directions and it was deemed wise to refer the matter to the Board for further action. (See page ???).

AUDITORS

Thorne, Mulholland, Howson & McPherson were appointed auditors of 1934-35.

BORDER ADVERTISING

The question of advertisements of American Dentists in our border papers has repeatedly been before the Board and every effort possible has been made to overcome this practice.

The New York State authorities seem to be able to control this somewhat.

For years the Michigan authorities were helpless but recently they have secured an amendment to their Act which gives them some control. The advertisers have appealed to the Courts where the case is now pending.

BUSINESS TAX

Some time ago the attention of the Board was drawn to the manifest unfairness of the Business Tax levied on those Dentists who have their office in their home. The tax is based on one quarter of the assessed value of the whole property.

A canvas was made of a number of those who have their office in their home and it was found that the average space occupied by the office is one sixth instead of one quarter of the floor space of the house.

A canvas was also made of a number of those who rent their office, as far as possible in a similar neighborhood to those in their home, and it was found that the average tax paid on an office in the home was a little over 18c. per square foot while in a rented office the average was only a little over 12c. per square foot.

Your Secretary discussed this with the Assessment Commissioner of the City of Toronto and with the Attorney General's Department at the Parliament Buildings.

As this section of the Act refers to about twenty other callings it was intimated that the Government would not take any action but to get some member to introduce a private Bill.

Dr. H. A. Clark, M.P.P. of Brockville very kindly consented to do so. The Bill provides that the 25% be reduced to 15%. This was introduced by Dr. Clark and referred to the Municipal Bills Committee. A deputation from the Board was present when the Bill came before the Committee. Dr. Clark explained the purport of the Bill and Dr. A. D. A. Mason spoke on behalf of the Dental profession. A few members asked questions and the Bill passed the Committee and was reported to the House without amendment.

On prorogation of the House in March the Bill was given Royal assent and became law.

CANADIAN DENTAL ASSOCIATION

In order to assist it in its work the Board decided to pay to the Canadian Dental Association 25c. for each Licentiate in good standing in Ontario, provided the Ontario Dental Association would pay a similar amount, each body to have an equal number of representatives in the C.D.A.

As the Ontario Dental Association agreed to this the Treasurer was instructed to pay the Treasurer of the Canadian Dental Association the above sum, thus making all the Dentists who are in good standing in Ontario, members of the Canadian Dental Association.

Dr. W. H. Woodrow was appointed as representative from the Board.

9—

CLINICS

The relation of Licentiates to Industrial and other Clinics was thoroughly discussed and the following resolutions unanimously carried:

"That this Board will permit members of the College to practice their profession in clinics established for the Dental care of indigents when and as long as the Clinic has the sanction of this Board."

"That in the matter of Industrial Clinics this Board will not at present take exception when it can be shown that no financial gain accrues to anyone other than a member of this College."

10—

COST OF GOLD

The question of the cost of gold to the profession was considered and Dr. Conboy who was present at the time explained that he had discussed this with the Customs Authorities in Ottawa and that there was no possible chance of any change being made.

11— DENTAL LABORATORY ASSOCIATION OF ONTARIO

This Association requested the Board to name a Committee with which the Association might advise in case of a dispute between a Dentist and a member of the Association in order to avoid the publicity of the Courts.

The Board expressed its appreciation of the efforts of this Association to overcome illegal practice by Dental mechanics.

It was decided that the President or the Chairman of the Discipline Committee or some one appointed by the President should act in case of a request from the Association.

12— DENTAL SOCIETY OF HAMILTON

A letter was received from the Society asking the Discipline Committee to take action against illegal practitioners in Hamilton. The Secretary was instructed to reply asking the Society to report the case of any offender or suspected offender to the District Representative.

A delegation from the Society met the Discipline Committee regarding the account of the Society for expenses in connection with the prosecution of Stanley Plain for violation of the Dentistry Act.

At a subsequent meeting of the Board the Treasurer was instructed to reimburse the Society the amount of the expenses in this case.

At another meeting of the Board a delegation was again received and discussed with the members certain communications which had been presented to the Board of Health in Hamilton and requested an opinion on the matter.

The following resolution was unanimously carried:—

“That in the opinion of this Board of Directors of the Royal College of Dental Surgeons the restoration of lost teeth by means of dentures is essentially a health measure.”

13— DENTAL X-RAYS

Several communications were received regarding the taking and reading of Dental X-Rays by other than Dentists, and asking if any action could be taken.

This question was considered at length, on several occasions, and it was decided that nothing could be done to prevent the practice complained of.

14— EDUCATION OF THE PUBLIC

Resolution:—“That the members of this Board wish to express to the Department of Health of the Province their sincere appreciation of the activities of the Department in regard to Dentistry; They again solicit the aid of the Department in educating the Public to the need for Dental Services by articles in the press or by radio or by any other means available to the Department.”

EX-SERVICE MENS' LOANS

The subject of Ex-Service Mens' Loans was referred to a committee at the June 1933 meeting. The Committee reported:

1.—Loans long outstanding without renewal of notes are to be sent to an Agency for collection.

3.—In other cases endeavor to collect or have a new note signed.

These resolutions were adopted:

"That owing to the increasing number of requests for Extra-Mural services, except in certain circumstances, there shall not be more than two services provided from the Extra-Mural grant to any locally organized Dental Society and that the dates of these services be arranged for seasonable times of the year;

And That as the funds available are supplied by the Dentists of Ontario, through the Royal College of Dental Surgeons, the Secretary of the local Society will be expected to notify all Dentists within reasonable travelling distance."

"That the Board of Directors of the Royal College of Dental Surgeons wish to thank the Dean and the Faculty of Dentistry of the University of Toronto who have given such splendid service in the interest of the Dentists of Ontario, through the Extra-Mural and Graduate Consultation services."

EASTERN COUNTIES CAMPAIGN

A public Dental Health campaign is being carried on in five eastern Counties of Ontario under the direction of the Department of

Health of the Province. The Medical and Dental professions are co-operating in this work. The Board granted \$500. towards this, to be used exclusively in post graduate instruction of the Dentists practising in these Counties, under the supervision of Drs. Woodrow, Mason and Veitch.

19—

GROUP INSURANCE

The Committee appointed in this subject reported that they had considered the matter and recommended that no action be taken at the present.

20—

HOSPITALS

Two motions were passed:

"That the Board memorialize the Hon. Dr. Robb, Minister of Health of the Province of Ontario, through Dr. Conboy, Dental Officer of Health, requesting the Government to aid the General Hospitals of the Province to finance the installation of Dental Clinics, so that needy indigent patients may receive a Dental Health Service which they so urgently require."

"That the Secretary be instructed to write the Hospitals operating Dental Clinics asking them as far as possible to confine their Dental operations to indigent patients."

21—

ILLEGAL PRACTITIONERS

Several cases of illegal practising were brought to the attention of the Board and the members were instructed to obtain a conviction where at all possible.

22—

LICENTIATE FEES

The Treasurer was given instructions regarding the collection of the annual licentiate fee.

23—

MAIL ORDER DENTURE SERVICE

For some years a firm in Chicago has been advertising in Ontario and other Provincial papers, particularly those circulating in the rural parts, to make "plates" for a very low fee. Impression compound would be sent to the person who replied, with instructions as how to take his impressions. A form was also sent for the patient to fill out from which the firm would select the tooth for the case, &c.

A large number of patients from Ontario were fooled by the unfair claims and found when the dentures were received that they were absolutely useless.

Your Secretary took the matter up with the Illinois State Dental Society, the United States Postal authorities and with the Canadian Postal and Customs departments with very little success.

A patient in Toronto who had had a full upper and lower made was interviewed and it was found that the dentures were of no use whatever.

After the Discipline Committee had spent considerable time on this matter they reported to the Board what had been done.

A deputation was appointed to meet Dr. J. M. Robb, Minister of Health for the Province. He received the deputation very kindly but pointed out that this was a matter for the Dominion Government and promised his support in any application made to Ottawa.

The matter is in the hands of the Legislation Committee of the Canadian Dental Association to which has been referred a letter received from Dr. J. W. Bell, Deputy Minister of Health pointing out from a medical standpoint the serious dangers to the public health of such a procedure.

A very strong resolution has also been forwarded from the Board presenting the matter from a dental standpoint and also endorsing the contents of Dr. Bell's letter.

The Canadian Dental Association will meet the Ottawa authorities and it is hoped the Canadian mails and express will be denied the Chicago firm.

24— MINIMUM DENTAL FEE

This was discussed at some length and it was decided that each member should prepare such a schedule after consulting some practitioners in his District and report at the next meeting.

25— MINIMUM WAGE BOARD

As several Dentists had had communications from the Minimum Wage Board a delegation from the Board of the R.C.D.S. met the Chairman of the Board.

The delegation presented the following report to our Board:—
Gentlemen:

Your Committee appointed to meet Mr. R. A. Stapells, Chairman of the Minimum Wage Board present the following report.

It was brought to the attention of Mr. Stapells that the Board of the R.C.D.S. was in complete sympathy with the Act controlling "Minimum Wages" but that under the present unusual conditions many Dentists though financially curtailed, may yet be trying to retain their organization.

Your Committee requested:

1.—That, as the Dentists are not familiar with the Act, time be given for this Board to so notify our members to make them familiar with the Act.

2.—That because of this ignorance on our part, the Act be not enforced in a retro-active way. This could not be granted.

3.—What is considered part time employment?

We were received very courteously and given very definite replies and suggestions, which we recommend should be incorporated in a personal letter to our members.

Committee:— G. L. Prestien
H. Irvine
W. H. Woodrow
A. D. A. Mason

26— OTTAWA VALLEY DENTAL SOCIETY

A communication was received from the Ottawa Valley Dental Society requesting that Dr. Veitch meet the members to discuss the question of a "Minimum Dental Fee."

While in sympathy with the idea it was decided that there would be little object in discussing such a law as it would be impossible to enforce it, but if the Society wished Dr. Veitch to meet the members and consider the question, to communicate with him.

Dr. Veitch was requested to obtain copies of the papers on office practice &c., as presented at London and Kingston by Drs. Butler, Mason, McLean and Morton, and the Board would pay any expense involved.

RESEARCH ON DENTAL MATERIALS

Of the grant made by the Board the Faculty was requested to apply as much as possible to research in Dental materials, and to having articles prepared for publication in Canadian magazines, the grant to be augmented if necessary to the extent of a further \$200.00.

SCRUTINEERS

Mr. H. J. Bolitho, Fee Clerk, and Mr. A. N. Laidlaw, Assistant Registrar, University of Toronto, were appointed as Scrutineers for the election of Members of the Board next fall.

SOCIALIZED DENTISTRY

The Public Dental Health Committee of the Ontario Dental Society held a meeting in April at which representatives were present from the Royal College of Dental Surgeons, the Canadian Dental Association and the Ontario Dental Association.

Among the subjects considered was that of Socialized Dentistry and it was decided to have a Committee study the question.

A communication was received from the Ontario Dental Association stating that the President had appointed nine Dentists on the Committee to study the question of Socialized Dentistry and requesting the Board to appoint a similar number.

The following were appointed:

Dr. H. Irvine, Lindsay	Dr. E. T. Guest, Toronto
Dr. G. H. Holmes, Owen Sound	Dr. J. S. Lapp, Toronto
Dr. E. C. Veitch, Toronto	Dr. W. J. Langmaid, Oshawa
Dr. G. L. Prestien, Galt	Dr. W. L. Whitelock, Hamilton
Dr. W. Seccombe, Toronto

The Discipline Committee was instructed to investigate the case of the following in regard to their being guilty of disgraceful or improper conduct in a professional respect in regard to their signs. (The list of names appears in the official minutes but not inserted here).

SCRUTINEERS' REPORT

To the Board of Directors of the Royal College
of Dental Surgeons of Ontario.

Gentlemen:—

According to your request to act as scrutineers at the biennial election of a Board of Directors of the Royal College of Dental Surgeons of Ontario, we attended at the Board Room of the College this 12th day of December, 1934, at 2 o'clock in the afternoon.

After we had made the required declaration of secrecy, your Secretary handed to us 304 sealed envelopes marked “Ballot, Royal College of Dental Surgeons of Ontario,” each with a validation slip attached and signed by a member of the College.

These envelopes contained 303 ballots in the form prescribed by By-law No. 10 of the College and one envelope was empty.

The Secretary also handed to us seven envelopes addressed to the Secretary of the Royal College of Dental Surgeons, four of which contained ballot envelopes but which were received on the 12th of December and were too late to be counted; two contained ballot envelopes without a signature on the Validation slip and one unopened contained a ballot without a ballot envelope or validation slip.

Of the 303 Ballots received 89 were from District No. 3, of which 63 were marked for Dr. Blatchford, and 26 for Dr. Shannon, being a majority of 37 for Dr. Blatchford.

98 were from District No. 5, of which 7 were marked for Dr. Fowler, 47 for Dr. Holmes and 44 for Dr. McIntyre, being a majority of 3 for Dr. Holmes over the next candidate, Dr. McIntyre.

116 were from District No. 7, of which 31 were marked for Dr. Koeppel and 84 for Dr. Prestien, being a majority of 53 for Dr. Prestien, one ballot being discarded and one envelope empty.

We hereby certify that the above statement regarding the ballots handed to us by W. E. Willmott, Secretary of the R.C.D.S. of Ontario and the disposition of them is correct for three Districts Nos. 3, 5 and 7.

PAST PRESIDENT'S REPORT

Dr. Irvine presented his report as Past President:—
To the Board of Directors of the
Royal College of Dental Surgeons.

Gentlemen:

I would first like to express my appreciation of the co-operation I have received from every members of the Board and from its permanent Secretary, Dr. W. E. Willmott.

I feel that I should commend the activities of the Discipline Committee in keeping the profession clean of undesirable conditions, especially should I commend the energetic and untiring Chairman, Dr. E. C. Veitch. He has been called on to give more time to these matters than any man should be expected to give without some remuneration and I would recommend the incoming Board to take some recognition of this fact.

In considering our profession as a whole, I would recommend the incoming Board to give leadership in the educating of the public to the necessity of more and better dentistry. The profession also should be educated by more clinics and extra-mural lectures to give this service.

I am glad to note the continued cordial relations and close co-operation between the Faculty of Dentistry of the University of Toronto and the Board of this College.

(Signed) H. IRVINE,

Past President.

Motion Carried.

SECRETARY'S REPORT

Minutes

The minutes of the meetings held in October, 1933, December, 1933, April 1934 and May, 1934, were not printed as usual but a condensed and tabulated report of the business was prepared and a copy mailed to each Licentiate in practice in Ontario, and to several others on request.

Applications for License

33 of the 44 members of the graduating class of the Faculty of Dentistry of the University of Toronto have applied for the license—of these 3 are from Australia.

There were also 3 applications from students who had graduated previously but had not paid the necessary additional registration fee. On payment of the fee the following were added:—

S. L. Portigal who finished the course in 1929.

W. F. Hancock who finished the course in 1932.

H. M. Hutchinson who finished the course in 1933.

Examination for License

As was arranged at the October meeting, Dr. O. H. Sloan, who was required to pass in certain subjects, completed the necessary examinations and was granted the license on December 9, 1934.

In this connection the Board should specify the examiners in the subjects of examination and the method of procedure.

I would suggest some modification in the list of required examinations.

Changes in the Register

On April 30th, 1935, there were 3,545 names on the register, 33 having been added during the year previous; 76 have been transferred from the active to the inactive register; 16 died; 6 retired from practice; 2 moved to Saskatchewan, 1 to British Columbia and 1 to Manitoba and 50 whose fees are not paid; 34 have been transferred from the inactive to the active register; 28 resumed practice or paid arrears of fees; 2 from Saskatchewan, 1 from Manitoba, 1 from England and 2 from the United States; in Ontario 24 have moved from one town to another.

Nurses in Training

(a) Examination

On Certificate from the Secretary of the Faculty of Dentistry last fall that they had successfully completed the supplemental examinations, the following were given their diploma and pin:—

Isobel Anne Armstrong

Edith Miriam Pardoe

Florence Elizabeth Pratt

(b) Graduation of 1935 Class

The Committee in charge has arranged the graduation exercises of the Nurses' Class for Monday afternoon, June 3rd, 1935, at 3 o'clock

in the Senate Chamber of the University of Toronto, Mrs. (Dr.) H. J. Cody has kindly consented to address the class and Rev. R. B. McElheran will give the invocation. Following these exercises a reception will be held in the Dental Building.

(c) Diploma Fee

As the notice regarding the diploma fee was not included in the booklet on the course of Dental Nurses, sent to prospective applicants, and as the yearly fee has been raised to \$100.00 the question might be again considered.

Fifty Years in Practice

As in previous years, complimentary registration for the year was sent to those who had been in practice fifty years or more. These were:

1875	I. L. Nicholls	Chatham
1879	E. Hart	Brantford
1881	H. Weller	Welland
1882	D. T. Baxter	Hamilton
1882	C. F. Knight	Hamilton
1883	F. J. Stowe	Toronto
1884	F. A. Denne	Stayner
1884	F. Kilmer	St. Catharines
1884	A. A. Smith	Cornwall

Elections

The success of the procedure followed in the election as prescribed by the amendment to By-law No. 10, proved the advisability of the change and apparently can not be improved upon except in shape of ballot to prevent reverse of mark in ink.

Printing Act and By-laws

As instructed at the October meeting 2,500 copies of the Dentistry Act and By-Laws as amended were printed and will be sent out with the report of the meeting.

I would suggest that a note be enclosed calling attention of the members of the profession to the regulations regarding signs, cards and printed announcements, as adopted by the Board and referred to in By-Law No. 12, (b) and (c).

Papers on Economics

As instructed at the last meeting, Dr. Veitch obtained a copy of three of the papers prepared on Economics and Office Management.

Mail Matter

During the year, 3,300 articles have been received and 13,062 prepared and sent out with upwards of 21,700 enclosures.

Pictures of Past Presidents

It has been suggested that an album should be started, containing the photographs of the past presidents of the Board, similar to one being prepared of past presidents of the Ontario Dental Association.

Minute Book

I would request an expression of opinion as to the proper form of a permanent minute book.

Extra-Mural Service

During the year 18 speakers and clinicians visited 43 meetings in 29 centres with an attendance of about 1,000, whose expenses amounted to \$634.03. (See extended report).

A cheque has been received from the Bursar of the University of Toronto for \$150.00, being the amount not expended for honoraria from the grant of \$1,000.00 made by the Board and forwarded to the Bursar.

Under this plan two requests were received for speakers not members of the Faculty of Dentistry. As the Dean could not agree to include these in the Extra-Mural plan, the president was consulted and agreed to the Board paying the expenses but no honorarium was included. W. E. Willmott visited Kingston and R. D. Thornton is to visit Guelph on June 5th.

The question of speakers and clinicians not on the Faculty being utilized by this service might well be considered and some policy definitely decided upon.

On the Budget of \$2,000.00 there has been spent \$658.18 for expenses and \$850.00 for honoraria, a total of \$1,508.18, being \$491.82 less than the grant.

Enforcing the Act

(See report of the Discipline Committee).

\$1215 has been collected in fines during the year.

Ex-Service Men's Loan Account

On April 1934, 89 men owed \$24,107.34 on their loans. During the year 4 have paid in full \$462.39; 24 others have paid on account \$660.73; leaving \$22,995.52 still owing by 85.

Interest amounting to \$674.19 was paid; this with the bond interest of \$1,817.50 has been transferred to the Board account.

Fines Paid

(See report of the Discipline Committee).

Dental Research

As the only charge on the grant of \$500.00 to the Faculty for Research was \$159.00 towards fees of Research Students and \$200.00 for preparation of the bulletin on Amalgam, your treasurer did not forward the grant to the University of Toronto.

Harry R. Abbott Memorial Library

During the year \$810.79 has been received from the estate of Dorinda E. Tully; \$89.50 has been spent for books, \$25.44 for a book plate, and \$500 sent to the Bursar of the University, leaving a balance of \$1,725.13.

Refund of Registration Fee

Two members of the graduating class have paid a registration fee for six years, having had to repeat a year.

Two years ago the Board refunded one of these to a student in a similar position.

Should the same procedure be followed this year?

Should a refund be made to those students who have paid their registration fees for different numbers of years but who do not wish to take out the L.D.S?

ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO FINANCIAL STATEMENT

(Year ending April 30th, 1935)

May 27th, 1935.

To the President,

Royal College of Dental Surgeons of Ontario.

Dear Sir:—

We have audited the books and vouchers of the Royal College of Dental Surgeons of Ontario for the year ending April 30th, 1935 and submit herewith certified Balance Sheet and Statements of Receipts and Disbursements for the General Accounts, Ex-Service Men's Loan Accounts and the Harry R. Abbott Memorial Library Fund.

With reference to the collection of loans to ex-service men, the payments on principal and interest during the year under review amounted to \$1,123.12 and \$674.19 respectively and the unpaid balances as of April 30th, 1935, after taking into consideration a net debit adjustment of \$11.30, were \$22,995.52. No accrued unpaid interest on these loans has been considered in the accompanying statements.

No payments were received during the year on account of the student's loan and accrued interest, nor has anything further been done towards obtaining a new note covering principal and interest and reinstatement of the lapsed life insurance policy for security:

The outstanding licentiate fees at April 30th, 1935 amounted to \$601.00, which included \$115.00 for 1934, \$61.00 for 1933 and \$5.00 for 1932.

DOMINION DENTAL COUNCIL

To the Board of Directors of

The Royal College of Dental Surgeons of Ontario.

Gentlemen:

Since the Dominion Dental Council meets only once in every two years, no meeting has been held since the last report in June, 1934. However, I regret to report that Dr. W. D. Cowan who had been Secretary of the Dominion Dental Council since its inception has passed away. Also on May 2, Dr. G. K. Kennedy, Dean of the Faculty of Dentistry, University of Dalhousie, and the Representative of Nova Scotia on the Council, died. I would suggest that a suitable communication be forwarded to both Miss Cowan of Regina, daughter of Dr. Cowan, and to Mrs. Thompson of Halifax.

All of which is respectfully submitted,

(signed) A. D. A. MASON,
Representative.

LIBRARIAN'S REPORT

To the Board of Directors of

The Royal College of Dental Surgeons of Ontario.

Gentlemen:—

Your Librarian has the honour to bring the report for the session 1934-35 to your attention.

During the year, approximately 150 books were loaned to out-of-town graduates. Since November 1st, 2,476 books have been loaned to students, staff members and research students. This is the highest circulation which has been recorded in the Library and shows an encouraging increase in the interest shown in it.

There have been 145 new books, exclusive of current journals, added to the Library during the year. This increase has necessitated the purchase of an additional steel stack for books. There has also been a substantial addition to the collection of valuable old books and proper dust-proof cupboards have been provided for these, which are being restored and properly preserved.

On November 1, 1934, a change in the personnel of the Library staff took place. Miss Anderson (Mrs. Holmes), who was the Assistant Librarian for a number of years, resigned and Miss Mimms was transferred from the Administrative Office of the Faculty to the position of Assistant Librarian. In spite of this change in the middle of the session, the Library has endeavored to carry on its services without interruption.

Acknowledgment is gratefully made to the following who have donated books and journals to the Library during the session:—

Books: Dean Seccombe, Drs. Mason, Crouch, Godfrey, Webster, and Mr. Rous.

Journals: Dean Seccombe, Drs. C. E. Brooks, T. W. Dawson, G. Grieve, F. C. Husband, J. F. Ross, S. J. Lesco, C. A. Snell, L. G. Smith, R. R. Butler, A. J. McDonagh and E. A. Grant.

Several interesting Museum specimens have been received and acknowledgment has been made to the donors.

For the ensuing year I would recommend that the usual grant be given to the Library.

All of which is respectfully submitted,

(signed) C. A. KENNEDY,
Librarian and Curator.

NATIONAL ASSOCIATION OF DENTAL EXAMINERS

To the Board of Directors of
The Royal College of Dental Surgeons.

Gentlemen:—

The National Association of Dental Examiners met at the St. Paul Hotel, August 4th, 1934, at St. Paul, Minnesota. Through some misunderstanding re the time of the meeting your representatives were somewhat late but discussed with individual members and officers of the Association the matters which had been deliberated upon. The Association recommended to its members the adoption of the Committee of Curriculum Survey of the American Association of Dental Schools and advised the adoption of this plan and standard as a guidance to the different state boards.

The Association is always moving toward a national standard of examination which will give a national standard comparable to the Dominion Dental Council. When this arrangement is accomplished, no doubt reciprocal agreements will be promoted between these two bodies.

The Association has extended an invitation to all the provinces of Canada to join in and make a continent-wide organization and it is hoped many of them will become members.

The next meeting of the Association will be at New Orleans, Saturday, November 2nd, 1935, all of which is respectfully submitted.

H. IRVINE,

Representatives.

RESEARCH OF DENTAL MATERIALS

To the Board of Directors of
The Royal College of Dental Surgeons.

Gentlemen:—

Your Committee decided that for the year activities would be confined to making available a complete treatise on Amalgam.

With the co-operation of the Faculty of Dentistry the services of Dr. Thomas Cowling, M.A., D.D.S., B. Paed., Professor of Dental Technology and Metallurgy of the University of Toronto were secured.

Dr. Cowling produced for us a very excellent bulletin, indeed, one of such merit that the Canadian Dental Research Foundation offered to make it available to all the Dentists throughout Canada.

Harmonious arrangements were made and as a result the bulletin is now in the hands of the members of our Profession.

The Committee desires to congratulate Dr. Cowling and to express to the Faculty of Dentistry and the Canadian Dental Research Foundation its appreciation for very splendid co-operation.

(signed) E. C. VEITCH,

H. IRVINE,

R. T. MACDONALD,

Committee.

CLINICS

The subject of Dental Clinics was discussed at considerable length and a committee was appointed to report on the subject.

Dr. MacDonald presented the report of the Committee on Clinics:

To the Board of Directors of

The Royal College of Dental Surgeons of Ontario.

Gentlemen:

Your Committee on Industrial Clinics had two meetings during the winter and found that in Hamilton the only one operating was the one

in The Steel Co. of Canada. This was conducted by Dr. Romph and consisted mostly of examination of those in the Company's employ, who wished to have Dentistry done.

The Committee is of the opinion that if this were done in many plants it would probably bring to the attention of many men and women the importance of taking care of their teeth and would save a great many from losing their masticating apparatus before it is too late. The Committee was of the opinion that in cases where manufacturers wished this service the proper ones to suggest who should be appointed to this work would be the Local Dental Organization in the community.

It is unfortunate at the present time that the great hindrance to having Dentistry done is probably an economic one, and as long as industrial workers are so poorly paid it will be impossible to have this very important service rendered for this class of people. This may eventually be taken care of by some form of State Health Insurance, which is now being brought to the attention of the different governments, however, at the present time most governments are just as hard pressed for funds as the average individual.

Until some Moses arises and can lead the nations to the promised land of economic security, it would appear as if not a great deal could be expected from the average government.

W. L. WHITELOCK,
C. R. WRAY,
H. A. ROBERTSON,
R. T. MacDONALD (Chairman).

Committee.

SOCIALIZED DENTISTRY

In the 1934 report it was noted that a Committee had been formed to consider the question of Socialized Dentistry on which the Board was represented.

Report of Committee

The following principles as relating to the dental aspects of any proposed Health Insurance plan in Ontario were submitted:—

1. That Dentistry be made a statutory benefit.
2. That all Dentists in good standing with the R.C.D.S., be eligible to participate in the plan and that any Dentist who so desires, be permitted to refuse to take patients under the plan or limit the number he will care for.
3. That patients be given freedom of choice in the selection of their Dentist.
4. That no third party be permitted to come between the patient and the Dentist, in a professional sense. (In some countries the dental benefit is arranged on a reference basis, the patient first going to the family Physician and getting a dental letter).
5. That the service provided include treatment on a per-action basis with fees based upon the present Compensation Board fee, also such measures that are necessary for prevention.
6. That on any board or Commission appointed or selected to administer this service Dentistry be equitably represented and that the representative on this board be selected for appointment by the Board of the R.C.D.S.

7. That, while Public Dental Health Education may not be part of the Health Insurance plan, the Province should be urged to carry on Public Dental Health Education.
8. That any plan of Health Insurance should include indigents.
9. That Dentistry be properly safeguarded in whatever plan of supervision is adopted and represented on all boards appointed to settle differences between patient and Dentist.
10. That in the formulation of any plan, its execution and in all changes made to it, Dentistry be considered a separate and co-operating unit with rights similar to any other participating profession.

DR. O. H. SLOAN

Dr. O. H. Sloan attended the School of Dentistry of the R.C.D.S. 1911-12; 1912-13; 1913-14; graduated from Northwestern University of Chicago 1917, licensed in Alberta 1918, asks what required for license in Ontario.

Decided:

- (1) He would be required to write on subjects as prescribed in 4(a) of regulations as published.
- (2) Comply with 5 and 6.
- (3) That the fee be \$20.00 and examination expenses.
- (4) That the examination committee be empowered to act on the report of the examiners.

INDUSTRIAL SURVEY

The possibility that the Public Dental Health Committee of the Ontario Dental Association would, on further study of the project, desire to start an industrial survey in some parts of the Province, if the Board of the Royal College of Dental Surgeons deemed it ethical and wise, was presented to the Board and thoroughly discussed. The following motion was passed:—

“That such a survey, if carefully carried on by a Committee of the type of the Public Dental Health Committee of the Ontario Dental Association, would be an ethical procedure and that the Board would be glad to receive further details when available.”

MINIMUM DENTAL FEE

The advisability of preparing a Minimum Dental Fee was discussed and finally decided upon.

(A copy was mailed to each Licentiate in Ontario last December.)

ACT AND BY-LAWS

The Secretary was instructed to have printed 2,500 copies of the Act and By-Laws, as amended.

(A copy is enclosed with this report.)

CARDS AND ANNOUNCEMENTS

The following regulations were adopted:—

“That no member of the R.C.D.S. shall display in any newspaper, magazine, or handbill anything other than his name, title or degree, profession, address, telephone number and office hours, and such space must not exceed one column (13 ems) in width and not more than two inches in length, and such card shall not be a display advertisement.”

DISCIPLINE COMMITTEE

During the year three meetings of the Committee were held at which many matters were discussed and activities between meetings confirmed.

The sign problem was nearly completed and the Committee is grateful for the co-operation of the members of the Profession in this adjustment, which appealed to some as extreme but which all agree has brought about an improved condition. Any remaining infringements will be taken care of when reported.

Notwithstanding the fact that trying conditions still exist the Dentists of the Province have adhered admirably to our standard of ethics throughout the year. Two members were before the Committee regarding unethical notices. One had his license suspended for one month and the other, we regret to say, died shortly after the meeting. Two other Dentists who had been out of practice for some time and who resumed during the year were before the Committee regarding their relations with the Artificial Teeth Co. One case was dismissed because of uncertainty of evidence. The other Dentist has discontinued practice.

The appeal entered by C. A. Risk against the decision of the Board cancelling his license from April 24th, 1934 was dismissed and the Board's decision upheld.

The appeal entered by Dr. G. A. C. Gunton against a like decision made by the Board was dismissed with costs on November 19th, 1934. At present Dr. Gunton is making an effort through his counsel to obtain permission from the Board to carry on an ethical practice.

The advertisements and activities of the Artificial Teeth Company first of 2071 Danforth Ave. and later of 21 Yonge St. Arcade required constant attention throughout the year. Efforts were made to prevent their continuing. They were taken into the Police Court on February 22nd, 1935, charged with "Practising Dental Surgery without a License" and "Prescribing Dental Treatment without a License." Magistrate O'Connor gave an unfavorable decision. The case was then appealed and tried before Judge MacDonnell on April 29th, 1935, when the defendants were convicted.

The False Teeth Company, carrying on a similar business, has also been under observation.

A determined effort to discourage the illegal practice of Dentistry has been carried on throughout the year and the following convictions have been the result:—

1.—Gil Macher, 205a Church St., Toronto.

Macher had been convicted on May 3rd, 1934, on a fourth offence and entered an appeal. Owing to exceptional conditions, assurance of future good conduct and some doubt regarding penalties, \$300.00 was accepted and the appeal dismissed.

Macher was again convicted on March 15th, 1935, on a charge of a second offence since the change in the Act re penalties and a fine of \$200.00 was imposed.

2.—Victor White, Peterborough.

White was convicted on September 24, 1934 and fined \$100.00 and costs. An appeal was entered which came before Judge Smoke on December 11th, 1934 and was dismissed. As White did not pay the fine Bench Warrant was issued on January, 1935 but the Peterborough Police claim they cannot locate him.

3.—A. J. Frohman, Windsor.

Frohman was convicted of a second offence on November 30th, 1934, and fined \$200.00.

4.—George S. Petrovich, Kirkland Lake.

Petrovich was convicted on March 7th, 1935, and fined \$100.00 and costs.

5.—Clarence Bishop, 975 Bloor St. W., Toronto.

Bishop was convicted of a second offence on March 8th, 1935 and fined \$200.00 and costs.

6.—George Burnett, 205a Church St., Toronto.

Burnett was convicted of a second offence on March 15th, 1935, and fined \$200.00 or thirty days. In default of payment he was committed to jail.

7.—John Leishman, 1801 Dufferin St., Toronto.

Leishman was convicted on April 5th, 1935 and fined \$100.00.

8.—Charles Coulan, 509 Quebec Ave., Toronto.

Coulam pleaded guilty on May 14th, 1935, and was fined \$100.00 and costs.

A charge laid against him earlier in the year had been dismissed.

9.—The Artificial Teeth Company, 21 Yonge St. Arcade, Toronto.

This Company was prosecuted in the Police Court on February 22nd, 1935, and the case was dismissed. An appeal from this decision was heard on April 29th, 1935. The previous decision was reversed and a fine of \$100.00 and costs was imposed.

Your Committee is determined to protect the public and the Profession from this injurious practice.

A request from a Toronto Dentist to have on his card (printed in Finnish) the name of his assistant followed by "Finnish Assistant in Attendance," was not granted.

A request was received from a firm for permission to exhibit to Dentists and Dental Mechanics a movie film depicting the making of artificial dentures. After careful inquiry and scrutiny the request was granted.

A delegation of Dentists from York Township met the Committee regarding Prosthetic Dental Services for the indigent, especially considering the possibility of the establishment of a Municipal clinic and the fees charged and to be charged for service. After a long discussion it was decided to arrange for a meeting on a date between Christmas and New Year's to be composed of representatives from York Township, East York, The Public Dental Health Committee of the Ontario Dental Association, The Academy of Dentistry of Toronto and the Board of Directors, to consider the whole question. This meeting was held on the 27th of December, the Board being represented by the President and Drs. Mason and Veitch. The Secretary of the Board was also present. There was a very intensive discussion of the problems of the Municipalities and the Academy of Dentistry clinic. Harmony and co-operation were assured and the results of the conference have been satisfactory.

Many other minor matters were dealt with and several cases are still under consideration.

Your Committee appreciates to the full the greater co-operation given by the Dentists throughout the Province during the past year. Only by united effort can we promote and maintain satisfactory conditions in and for the Profession of Dentistry in Ontario.

E. C. VEITCH, Chairman.

PUBLIC DENTAL HEALTH EDUCATION

This problem occupied a large portion of the time of the meeting.

Drs. W. G. Thompson, (Director of Dental Service for Ontario) R. Gordon McLean, Harry S. Thompson, F. J. Conboy and J. S. Lapp were present during a portion of the discussion. The following motion was carried.

"That the Ontario Dental Association and the Canadian Dental Hygiene Council each be requested to appoint three representatives and the Faculty of Dentistry one representative, to meet with three representatives of the Board and the Director of Dental Services to consider the question of promoting Public Dental Health Education, and that the Board representatives be the President, Veitch, and the Secretary of the Board and that the President of the Board be authorized to convene this committee, and that the committee be given power to add to their membership if they deem it advisable."—Carried.

AUDITORS

Thorne, Mulholland, Howson and McPherson were re-appointed Auditors.

CURRICULUM SURVEY

A copy of the report of the Committee of the National Associations of Dental Schools on a Curriculum Survey was given each member of the Board.

Drs. Holmes, Hogan and Blatchford were appointed a committee to study the report and report at the next meeting of the Board.

DR. J. A. SULLIVAN, WILLIAMSTOWN

Dr. Sullivan presented a request for a license to practice in Ontario.

All his credentials, preliminary and academic, had been reviewed by the University Registrar, who reported that neither were up to the standard required of Ontario students.

Motion adopted:— "That Dr. Sullivan be required to complete Matriculation and attend one session in the Faculty of Dentistry of the University of Toronto and fulfil all the requirements for a D.D.S. from the University of Toronto."

BRITISH COLUMBIA

The secretary was instructed to write the Secretary of the British Columbia Dental Association congratulating the Association on the success of their appeal to the Supreme Court of Canada in connection with the disciplining of a Dentist for unprofessional advertising.

A grant of \$200.00 was made towards the expenses of the British Columbia Dental Association.

REQUIREMENTS FOR AN L.D.S. WHO HAS BEEN OUT OF PRACTICE AND WISHES TO RESUME PRACTICE IN ONTARIO

Motion carried:

"That an L.D.S. of Ontario who has been out of practice for a time and wishes to resume practice be required to present a declaration as

to what he has been engaged in during the time not in practice and pay the fee for the current year."

REQUIREMENTS FROM AN L.D.S. WHO HAS BEEN PRACTISING ELSEWHERE AND WISHES TO PRACTISE IN ONTARIO

"That an L.D.S. of Ontario who has been practising in another Province or State, wishing to return to Ontario to practise must present a statement from the official body in that Province or State, that he has been in ethical practice and is in good standing and pay a fee of \$5.00 for each year since his L.D.S. was granted in Ontario, the whole not to exceed \$25.00.

DR. MIDDLETON

The correspondence with Dr. Middleton regarding his clinic in the "Ovaltine" plant was read, including a request that the clinic be permitted by the Board.

Motion carried:

"That the request of Dr. Middleton to continue the Dental Clinic in the "Ovaltine" plant be granted and that he be commended for the high standard of the clinic which he has conducted."

NOTICE TO LICENTIATES

The Secretary was instructed to prepare a notice to be printed on separate slip to be enclosed with this report, calling attention to the regulations of the Board regarding signs, cards, announcements, etc., and to the amendments to the Act and By-Laws.

PORTRAITS OF PAST PRESIDENTS

The Secretary was instructed to prepare an album containing the portraits of the past presidents of the Board.

EXTENSION LECTURE SERVICE

As only members of the Faculty of Dentistry are included in the Extra-mural Service it was decided to inaugurate an Extension Lecture Service under the direction of the Board under which the services of speakers and clinicians not members of the Faculty may be utilized.

The President, Dr. Veitch, and the Secretary were appointed a committee to arrange this service.

It was decided that a notice regarding the Extra-mural and Extension Lecture Services should be sent by the Secretary of the Board to each member of the profession within reasonable distance of each meeting to be held, in addition to the notices sent by the Secretary of the local Society.

PUBLICITY

Drs. Prestien and Veitch and the Secretary were appointed a committee to arrange for the publication in a magazine, from time to time, of information as to the activities of the Board and any other matter they may consider of interest to the profession.

Any needful directions to the elector may also be printed on this envelope.

This envelope is to be enclosed in another addressed to the Secretary and must be sent so as to be delivered to him not later than the Tuesday preceding the second Wednesday in December in the year in which an election is to be held.

Sec. 11.—It shall be the duty of the Treasurer of the said College, immediately after the 1st day of October in the year in which an election is to be held, to furnish to the Secretary a certified alphabetical list of the names of all the members of the said College who, on the said 1st day of October, were not in arrears in respect to any fees payable under the provisions of the Dentistry Act.
